**Von Henry James : Daisy Miller (Dover Thrift Editions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Daisy Miller (Dover Thrift Editions):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. very intrestingVon Ein Kundei think Daisy Miller was an intresting book. Daisy's care-free attitude about rules and society

made her an interesting character and how she approached life. I think this book was very good, it showed us another aspect of how people view other people. Her innocent side was conveyed by Mr. Winterbourne while her "improper, vulgar" side was conveyed by the people of Rome such as Mrs. Costello and Mrs. Walker. 2 von 4 Kunden fanden die folgende Rezension hilfreich. A reader that picked a good book for a book report. Von Ein Kunde I thought Daisy Miller was a great book. It really makes you think about our society today. A lot of people think that other countries' customs are strict and abnormal but just think about what they might be saying about our society today...teenagers do drugs at wild parties and get drunk, teenage girls as young as 13 have babies. Daisy was originally from America, and grew up on America's customs. So when she went to Europe she was considered a low-class, social outcast and her behavior eventually led to her death.

**Kurzbeschreibung** Daisy Miller is a fascinating portrait of a young woman from Schenectady, New York, who, traveling in Europe, runs afoul of the socially pretentious American expatriate community in Rome. First published in 1878, the novella brought American novelist Henry James (1843-1916), then living in London, his first international success. Like many of James' early works, it portrays a venturesome American girl in the treacherous waters of European society a theme that would culminate in his 1881 masterpiece, *The Portrait of a Lady*. On the surface, Daisy Miller unfolds a simple story of a young American girl's willful yet innocent flirtation with a young Italian, and its unfortunate consequences. But throughout the narrative, James contrasts American customs and values with European manners and morals in a tale rich in psychological and social insight. A vivid portrayal of Americans abroad and a telling encounter between the values of the Old and New World, *Daisy Miller* is an ideal introduction to the work of one of America's greatest writers of fiction.
