when the bear within him needs to be set free. Either to hunt or kill; he prefers the shift to hunt. Weston is haunted by terrible dreams. These are a gift that was implanted in him. He suffers visions and at times cannot decipher their meaning. Thinking that the last time he helped his fellow outcasts the dreams would go away, they have not. Images of a beautiful faceless woman are haunting him, could this be his one and true mate? No matter what he tries he cannot get her out of his head. Fearing for his friend Bane along with some strange fellows arrives to help him find his mate. Bane thinks that all he needs is a good time and release, oh how true. Arriving at a brothel the sent of berries hits him like a brick wall, HIS MATE! Why is she here? What is going on? Mandy Roth brings a bit of fun and humor with this tale. I love that Weston is this hot sexy and yet so respectful when he finally meets Paisley. Paisley is searching for her best friend Gale. Paisley needs to gain her strength by feeding off of the sex pheromones of others. Weston has other plans for her. When these two meet it is a crazy all out sex fest! Mandys writing is fluid and consistent with the story-line. Once again Mandy hits the ball out of the park with this one. I hope that my sexy Bane finds his true love.1 von 1 Kunden fanden die folgende Rezension hilfreich. Can Weston Find His Mate?Von Ingrid Stephanie JordanTitle : Damage Report Immortal Outcast SeriesAuthor : Mandy M. RothReviewed by : Stephanie Jordan I need to think up something different to say because Mandy M. Roth did it again is getting old.. HIGH FIVE... Mandy Roth book two of Immortal Outcast is following along with the all the other books. Phenomenal. ... That's right PHENOMENAL Ms. Roth can not write fast enough for me.. I think I've become a die hard fan.Weston Carol has been off the grid for years, now because he came out to help a team brother Casey Black, he was on the grid again, trying to hide from the people trying to kill him, because the government tests they did on him was a screw up, they wanted to illuminate the problem. But Weston was a force to be reckoned with he was a Were Bear and dangerous to everyone, having a reputation of just eating someone just cause he is GRUMPY. Casey brought Bill and Gus to meet Weston, Gus insisted Weston's Mate was in trouble and he need to go to Seattle right away. Problem was Weston didn't have a Mate....Paisley Addiks was in a brothel looking for her friend Gayle plus she was sucking in the sexually energy from the brothel. Not only that, she couldn't find her friend but still something was off she could feel it... If she's not careful she's going to be caught.... I was gifted this ARC for an honest and truthful review.
