Von Eliza Lentzski : Damaged Goods (Don't Call Me Hero Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Damaged Goods (Don't Call Me Hero Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Akzeptable Fortsetzung von Don't Call Me HeroVon BenGunIch bin ein groer Fan von Eliza Lentzski, insbesondere der Winter Jacket Reihe und von 'Fragmented', teile aber nicht die zum Teil euphorischen Reaktionen auf Damaged

Goods. Es ist gewi eine akzeptable Fortsetzung von DCMH, doch manches erschien mir einfach zu sehr an den Haaren herbeigezogen. Warum muss Cassidy in ihrer Probezeit einen dermaßen idiotischen Vorgesetzten haben? Und wieso mutiert die eiskalte und abgehobene Julia aus dem ersten Buch zu einem derartigen Gutmenschen? Natürlich wird es auch hier einen Teil 3 geben. Der nächste Schritt in der beruflichen Entwicklung von Cassidy ist ja praktisch schon vorgegeben. Ich hoffe, Teil 3 wird wieder besser. 0 von 0 Kunden fanden die folgende Rezension hilfreich. super Von Ali W. ich habe das erste buch schon geliebt aber der zweite teil ist noch besser. ich mag elizas winter jacket bcher sehr aber die don't call me hero reihe liebe ich. thank you so much for the great book and i hope there will be more.....?

Kurzbeschreibung New from Eliza Lentzski: *Damaged Goods* the sequel to *Dont Call Me Hero*. The past few years had been difficult for former Marine, Cassidy Miller. She left the military, joined the Minneapolis city police, only to voluntarily remove herself from active duty. In the tiny town of Embarrass, Minnesota, she met Julia Desjardin, the distant yet devastatingly beautiful city prosecutor, sparking a romance neither could have anticipated. Now, back in Minneapolis, things are starting to look up for Cassidy: she and Julia have reconciled, and she's hoping to be reinstated with the Minneapolis police soon. But life is never that simple. Cassidy can take off the uniform, but she can't shake the soldier. Her flashbacks of Afghanistan are getting progressively worse, her new police partner resents her existence, and she's not sure she's truly forgiven Julia for what happened in Embarrass. Can she enjoy this Happily Ever After or will memories of a not-so-distant past slowly tear her (and Julia) apart?
