hat's die ganze Serie in ein neues Licht gerckt. Sehr schwer etwas darber zu sagen ohne zu spoilern, ausser meine subjektive Meinung: Eine der besten Serien, die ich in diesem Jahr gelesen habe.

KurzbeschreibungIt began with a terrible vision of the future. Compelled by her precognitive abilities, Ia must somehow save her home galaxy long after shes gone. Now Jean Johnson presents the long-awaited epic conclusion to her national bestselling military science fiction series With their new ship claimed and new crewmembers being collected, Ias Damned are ready and willing to re-enter the fight against the vicious, hungry forces of their Salik foes. But shortly after they board the Damnation to return to battle, a new threat emerges. After several centuries of silence, the Greys are back, and the Alliance must now combat both a rapacious, sadistic enemy, and a terrifying, technologically superior foe.Ia has asked nothing of her crew that she herself has not been willing to give. But with two wars to bring to an endand time running outIa must make and execute the most terrible choice of all
