Von Neal Doran : Dan Taylor Is Giving Up On Women before purchasing it in order to gage whether or not it would be worth my time, and all praised Dan Taylor Is Giving Up On Women:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Somewhat uncouthVon Albert GDoran is staying at the level of rather unremarkable and superficial development of the novel's characters whilst driving the punchlines so hard they become predictable. The way Dan's friends and office

mates, as well as the work performed there is described is a rather wearisome caricature of how chavvy 20-somethings might think and behave. To me, this is all rather far fetched as is the principal theme of the book, the hero's obsession with dating a girl that might like him. I guess the aim of the author is to make him endearing in his struggles but this becomes somewhat forced and repetitive as the story plods on. Doran comes across as a someone who strives to be a contemporary Oscar Wilde but lacks the dose of subtlety and wit that would be required to get somewhere not even close...0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny and entertaining Von Bernd M. Jordan Neal has a knack for creating very funny descriptions and scenes. I had many laughs throughout the whole book and had to force myself to put it down at night.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great read - and many things sooooo true... Von Customer BEWARE This book is only for women (and some men who can laugh about men). I enjoyed it very much - thank you Dan Taylor!

Kurzbeschreibung Dan was beginning to think he'd never find the right woman. And then he fell for the wrong one. After a disastrous New Year's Eve, when even being mistaken for a tragic widower can't get him into bed, Dan Taylor declared his retirement from the world of dating. But his best friend Rob and his wife Hannah, aren't letting him give up so easily. Taking him on as their very own special project, they start breaking him down to build him up again. But their belief that they can re-build him is put to the test from the start, and it's while Rob and Hannah put him through unwanted makeovers, 'flirting practice', and late-night date post mortems, that Dan realises that life as a couple can be twice as difficult. Now Dan's not sure what to despair about the most - That he's unable to complete a date without involving the emergency services? That Rob and Hannah's marriage may be on the rocks? Or that the woman of his dreams might be the wife of his best friend? Praise for Neal Doran 'Neal Doran is a very funny writer' John O'Farrell, author of *The Man Who Forgot His Wife* and *Things Can Only Get Better* 'Dan Taylor is Giving Up on Women is witty, warm-hearted and achingly real. Neal Doran has created a love story for our times that will make you laugh, cry and fall in love with Dan Taylor. I loved it!' - Miranda Dickinson, bestselling author of *Take a Look at Me Now* and *I'll Take New York*. 'Full of witty one-liners, Dan Taylor Is Giving Up On Women is a hilarious examination of the morals of modern-day dating.' - Matt Dunn, bestselling author of *The Ex-Boyfriends' Handbook* and *A Day at the Office*. 'A big-hearted breath of hilarious fresh-air, Dan Taylor Is Giving Up On Women is a tender, touching and terrifically funny debut. The crises, the crushes and the cringes of an honest and sharp look at a very modern romance, treat yourself.' - Richard Asplin, author of *T-shirt and Genes* Kurzbeschreibung Dan was beginning to think he'd never find the right woman.
