Von Teodora Kostova : Dance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

WonderfulVon AnnaBananaAt first: Normally I don't do this, but.. this book is too good to NOT recommend it.In the beginning the love at first sight was a bit too much for me, I would have changed one or two scenes (for example I would have liked if Fenix have had to fight more for their relationship) and I needed a bit before I lived the story but the characters are wonderfully described. Absolutely adoreable. I love the writing style of the author and the passion

for musicals (of the main characters) is so well delineated..I am really overwhelmed at the moment. Huge recommendation.(Ever since one of my favourite movies, Freier Fall, was mentioned I can't stop grinning anyway. One good German movie, yey!)

KurzbeschreibungBOOK DESCRIPTIONJared Hartley is happy. He has a starring role in a popular West End musical, great friends, adoring fans and his own flat in Central London. A relationship is not something he has ever really wanted. Making big plans for the future is not in his nature Jared is content with his single status and enjoying all the benefits of that lifestyle.He doesnt even realise something is missing in his life.Until he meets Fenix.Fenix Bergman has a dream to perform on Broadway. When he gets offered the lead role in Poison a new musical based in London, he accepts, immediately recognising the huge potential of the show. Fenix thinks he has his life completely figured out he will move to London, help Poison become the new West End hit and bide his time until Broadway comes knocking on his door. He has never wished for anything else but proving to himself and the world that he is a performer worthy of the biggest theatre stage.Until he meets Jared.Jared and Fenixs lives collide and they fill each others missing pieces. Neither of them expects to feel so much, so fast for the other.Neither of them expects to need someone so badly when love hasnt even been in their plans.But when Fenixs star becomes too bright for London, will the dream hes chased all his life ruin the dream hes holding in his hands?Will he survive getting everything hes ever wanted?Will Jared?*Stand-alone novel* *80 000 words*REVIEWSThis book is M/M, which is not my normal genre, but even so, she managed to make me feel for the characters and root for their happy ending. Dance is the story of two lovers following their dreams and risking everything to find out what truly makes them happy.It's a wonderful love story full of happiness, hope, wonder and amazement, as well as heartache, despair, desperation and forgiveness. It is a passionate story about taking chances and finding out what truly makes you happy. ~ Kellee FabreAs you start Dance, you immediately meet Fenix. I absolutely love the name and he is such a sensational character. He draws you in to his life; feeling his passions and desires. He is full of life and ambition...you instantly feel the pull to root for everything he does.But, then, in walks Jared and we get to hear all about him from Fenix. And you just know that it is going to get HOT!!!And let me tell you..it gets SCORCHING HOT!!! ~ Kathryn GrimesDance, by Teodora Kostova, is the author's first venture into the realm of the MM genre. It can be quite scary for an author to cross-over to the MM side for many have failed, and some just succeed in a so-so manner. With this work, the author has proven to the lovers of the MM genre that her talent is in the telling of the tale and it knows no boundaries. Bravo. ~ Johanna P WOW! I cannot recommend this book enough. What a wonderful story about love and friendship. I was hooked from chapter one. Sometimes I hate how books give so much background before they get to the heart of the story, and I LOVED that this book jumped right in. We still got background, just as needed. I love Fenix and Jared. The author gave us a complete story that filled my heart. I can't wait to read Adam's story! Read this book NOW! ~ Jennifer SantaBeautiful! Just beautiful. I am not typically a fan of M/M. I really wasn't sure what to think before I started. And then I got sucked in.It is the story of two amazing people and the beauty of a love that knows no limits.A love that is battered and bruised and yet emerges the winner in the end. ~ Veronica BatesKurzbeschreibungBOOK DESCRIPTIONJared Hartley is happy. A love that is battered and bruised and yet emerges the winner in the end. ~ Veronica Batesber den Autor und weitere MitwirkendeHi, my name is Teodora and I live in London with my husband Ted and my son Jason. I've been writing ever since I can remember, but it became my full time job in 2010 when I decided that everything else I've tried bores me to death and I have to do what I've always wanted to do, but never had the guts to fully embrace. I've been a journalist, an editor, a personal assistant and an interior designer among other things, but as soon as the novelty of the new, exciting job wears off, I always go back to writing. Being twitchy, impatient, loud and hasty are not qualities that help a writer, because I have to sit alone, preferably still, and write for most of the day, but I absolutely love it. It's the only time that I'm truly at peace and the only thing I can do for more than ten minutes at a time - my son has a bigger attention span than me. When I'm procrastinating, I like to go to the gym, cook Italian meals (and eat them), read, listen to rock music, watch indie movies and True Blood re-runs. Or, in the worst case scenario, get beaten at every Nintendo Wii game by a six-year-old. Don't be shy and get in touch - I love connecting with my readers.
