Von Douglas Preston, Lincoln Child : Dance of Death: An Agent Pendergast Novel (Agent Pendergast Series Book 6) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dance of Death: An Agent Pendergast Novel (Agent Pendergast Series Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Kein abgeschlossenes BuchVon Daniel FischerNach Brimstone folgt also Dance of the Death. Man merkt dem Buch zum Einen an, das es Teil einer Triologie ist, zum anderen vermeint man an der ein oder anderen Stelle zu bemerken, das es von zwei Autoren geschrieben wurde, denn Figuren bzw. Charaktereigenschaften werden redundant beschrieben. An sich liest sich das Buch flssig, mehrere Handlungsstrnge werden verfolgt, die Autoren schaffen es, das man sehr unwahrscheinliche Dinge nicht als stend empfindet. jedoch wei man schon ziemlich bald, das es keine abgeschlossene Geschichte wie zum Beispiel bei Brimstone gibt, sondern das noch ein weiteres Buch folgen wird. Also nichts fr jemanden, der nur ein Buch lesen will. Fr eine Auflsung muss man sich den Nachfolger kaufen, sobald er am Markt ist... Leser, die Brimstone nicht gelesen haben, werden wahrscheinlich enttuscht sein.4 von 4 Kunden fanden die folgende Rezension hilfreich. Talk about sibling rivalry!Von Ein KundeI got an advance copy! Which was very cool because it was signed by the authors. I must admit I cannot be an objective reviewer when it comes to this writing team, they are awesome! In Dance of Death FBI Special Agent, Aloysius Pendergast (from Brimstone, Cabinet of Curiosities) is back in action. He is up against his Evil, diabolical brother Diogenes, who is murdering Aloysius's friends, and framing the murders on Aloysius! Pendergast ends up on the run from the Feds while he tries to figure out a way to defeat his evil brother, who is always one step ahead of him.This is typical Preston/Childs non-stop action with plenty of twists and turns. If I were to fault the book at all is it does not develop the historical/archeological/scientific plot typically found in earlier novels-which I always enjoy. New York City and the hall of the Museum of Natural History does play a role but this quickly fades in importance as the "dance of death" between the brothers plays out. The monumental struggle between the two brothers however-an epic fight between good and evil-is more than enough to carry the story. I also think the ending could have been a tad better, but it is also a great set up for the next book!All in all this is another great Preston/Childs collaboration that fans will be pleased with (it is worth the hardback price). Oh yeah, if you like this type of thriller also check out "A Tourist in the Yucatan" Highly recommended for thriller/adventure/mystery fans!4 von 4 Kunden fanden die folgende Rezension hilfreich. Gute Unterhaltung fr Pendergast-FansVon Ein KundeAuch dieses Buch um Agent Pendergast ist ebenso spannend wie unrealistisch, genau wie die Vorangegangenen, aber auf jeden Fall gute Unterhaltung, und deswegen liest man die Bcher von Preston/Child ja! Mich nervt bloss ein bisschen, dass hier sozusagen nur wieder eine kurze Episode aus der Geschichte von Pendergast und seinem Bruder erzht wird, und weil in diesem Buch sonst nichts vorkommt, kann man sich schon ein bisschen veralbert fhlen. Am Schluss ist insgesamt eigentlich nicht viel anders als am Anfang, es ist absolut klar, dass man sich auch das nchste Buch wird kaufen mssen, vielleicht geht da die Sache ja endlich weiter... Bei einem Hardcover in dieser Preisklasse erwarte ich eigentlich eine richtige und in aller Regel und im grossen Ganzen abgeschlossene Geschichte, und nicht einen Teaser fr das nchste Buch, in dem dann vielleicht endlich etwas von Bedeutung geschehen wird. Langweilig war das Buch aber nicht, und deshalb gebe ich trotzdem 4 Sterne.

KurzbeschreibungTwo brothers bound by blood, divided by hate . . .FBI agent Aloysius Pendergast's greatest enemy is one who has stalked him all of his life - his cunning and diabolical brother Diogenes. And Diogenes has thrown down the gauntlet.Now, several of the people closest to Pendergast are viciously murdered, and Pendergast is framed for the deeds. On the run from federal authorities, with only the help of his old friend NYPD Lieutenant Vincent D'Agosta, Pendergast must stop his brother. But how can he stop a man that is his intellectual equal - one who has had twenty years to plan the world's most horrendous crime?From Publishers WeeklyThe always reliable team of Preston and Child revisit Special FBI Agent Aloysius Pendergast, last seen in 2004's Brimstone, and others from past bestsellers (Relic; The Cabinet of Curiosities) in this intriguing thriller set in and around New York City and the halls of the Museum of Natural History. Born a misanthropic loner but driven insane by seeing his parents burned alive when he was a teen, Aloysius's madman brother, Diogenes, has begun murdering Aloysius's friends. Aloysius begs old friend Lt. Vincent D'Agosta to help him defeat his brother, and Vincent does his best while the brothers spar and others die. There are a number of subplots, one involving an ATM robber and flasher known as the Dangler and another focusing on the museum's exhibition of sacred masks, but these fade away as the deadly duel between the brothers takes center stage. Think Sherlock Holmes locked in a death struggle with his smarter brother, Mycroft. Like Brimstone, this novel doesn't end so much as simply pause while the authors work on the next installment. While it's not as good as some of their earlier efforts, it's still pretty darn good. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From BooklistPicking up two months after the events chronicled in Brimstone (2004), which saw the untimely demise of popular series hero FBI Special Agent Pendergast, this new novel by the Preston-Child team brings together characters from previous novels. The people closest to Pendergast are dying in horrible ways, and only one man can be responsible: Diogenes, Pendergast's long-lost brother, who has supposedly been dead for years. Meanwhile, at the New York Museum of Natural History, an internal battle rages over the rightful ownership of some ancient relics. Will these two stories link up? Well, of course, no surprise there. It's how they link up that packs the surprises. This is an ambitious novel with a gimmicky plot that could have landed with a resounding thud. Instead, the

story soars; the cast of familiar characters--researcher Margo Green, journalist Bill Smithback, curator Nora Kelly--is given a chance to stretch, and the authors deliver an exhilarating finale. Good stuff, and there's more to come, as the novel's last lines make clear. David PittCopyright American Library Association. All rights reserved
