Supernatural RomanceVon Verena75The second part of Ms. Roberts Circle trilogy is as entertaining and well-written

as the first one. The chosen six endeavour to strengthen their bonds and to prepare for the battle to come with Lilith, queen of the vampires. As usual, Roberts' character descriptions are right on the mark, however, readers may find themselves reminded of TV's character Buffy when reading about Blair, the female warrior who joined the circle at the end of the first book. Her presence and the interesting relationship she starts forming with Larkin, a shapeshifter from another world, are the basic theme of this installment, and I thoroughly enjoyed the amusing misunderstandings caused by their "clash of cultures". Roberts' first foray into paranormal/supernatural fiction has to be called a success. While there are certain elements you'll find in most other books of this genre, she doesn't forget her background in romance/novels about strong female characters so all faithful fans will most likely enjoy this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Kurzbeschreibung** Combining elements of the supernatural with gripping suspense and seduction, #1 New York Times bestselling author Nora Roberts presents the second novel in her Circle Trilogy. He saw where the earth was scorched, where it was trampled. He saw his own hoofprints left in the sodden earth when he galloped through the battle in the form of a horse. And he saw the woman who'd ridden him, slashing destruction with a flaming sword. Blair Murphy has always worked alone. Destined to be a demon hunter in a world that doesn't believe in such things, she lives for the kill. But now, she finds herself the warrior in a circle of six, chosen by the goddess Morrigan to defeat the vampire Lilith and her minions. Learning to trust the others has been hard, for Blair has never allowed herself such a luxury. But she finds herself drawn to Larkin, a man of many shapes. As a horse, he is proud and graceful; as a dragon, beautifully fierce; and as a man, Blair has never seen one quite so ruggedly handsome and playfully charming as this nobleman from the past. In two months' time, the circle of six will face Lilith and her army in Geall. To complete preparations and round up forces to fight, the circle travels through time to Larkin's world, where Blair must choose between battling her overwhelming attraction to him or risking everything for a love that can never be. Don't miss the other books in the Circle Trilogy: Morrigan's Cross, Valley of Silence. From the Trade Paperback edition. From Publishers Weekly. Starred. Roberts' Circle Trilogy continues with this second installment (following Morrigan's Cross), in which the circle of six prepare for their battle against the powerful vampire Lilith and her undead army. The six members, culled by the goddess Morrigan from the past and the present, include the wizard Hoyt and his vampire brother Cian, the witch Glenna, ancient Geallian princess Moira and her shape-shifting cousin Larkin, and demon hunter Blair. Preparing for the showdown in modern-day Ireland, the group splits their time among training, defending against Lilith's agents, bickering fitfully among themselves and, for some, doing their best to ignore mounting sexual tension. The relationship between the big-headed, anachronistic Larkin and the hot-tempered, thoroughly modern lonewolf Blair gives the proceedings a satisfying emotional core, especially rewarding when their anger turns finally to lust. Fulfilling their destiny, the six warriors enter the stone circle to travel backward in time to Geall for the fateful battle with Lilith. Roberts' latest is a testament to her skill and range, as this richly detailed fantasy is only her second attempt at the genre. Humors with wit, humor and sizzling romance. Paranormal fans are assured a good time, as is anyone who enjoys captivating fiction. (Oct.) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist. Another enticing paranormal trilogy from the ever-versatile, prolific, and much-loved queen of romance. Irish sorcerer Hoyt Mac Cionaoith tried but failed to destroy Demon Queen Lilith after she ruthlessly turned his twin brother, Cian, into a vampire. Lilith gradually recovered and immediately set about amassing an army of vampires with the intention of destroying all humans so that she could rule the world. The goddess Morrigan chooses Hoyt and five others to stop Lilith, sending Hoyt 1,000 years into the future. In twenty-first-century New York, he starts to build his team, enlisting Glenna Ward; his brother, Cian; and Cian's employee, King. Traveling back to Ireland, the three pick up new recruits Moira and her cousin Larkin, both of whom have traveled through space and time from the Kingdom of Geall. Demon-hunter Blair Murphy is the last to sign on to the circle of six. Now a sorcerer, a witch, a warrior, a scholar, a shape-shifter, and a lost soul must find some way of working together as a team if they are to have any hope of stopping darkness from overcoming all that is good and light in the world. Best-seller Roberts' Celtic-flavored Circle trilogy features superbly crafted characters, three passionate romances, and a bewitching blend of magic and myth. John Charles.
