Recommended.Von The Wizard of OzA short story (short compared to most of this author's other work) that has a twist on the usual vampire tale. It is exciting, dangerous, and some kind of sexy. What's the twist? Read it and find out. I thank the author for a free digital copy in exchange for a review.0 von 0 Kunden fanden die folgende Rezension hilfreich. Pure delightVon ZS"Dancing With Death" - the title alone grabbed my attention, tempting me to peek into this story. I'm not into vampires, but I must say this read was pure delight. Violetta the Huntress, oh but I did love this woman. Almost as much as I loved her match, Monsieur Martinet, the only one who can stand up to her, to challenge her. If he manages to stay alive first, that is...Having read this author before, I expected nothing but smooth, easily flowing prose, accompanied by a believable plot full of twists and turns and a good deal of tasteful erotics thrown in. And this is exactly what I got - a wonderful read!

She speaks three languages and has been chiefly employed in the fields of finance and travel. Her favourite city is Sydney and her favourite holiday destination is the south of France. She loves keeping fit and enjoys running, cycling and water sports. No, not those kinds of water sports; think surfing or sailing. That doesn't mean that she doesn't enjoy BDSM in all of its glorious forms, be that pony girls, bondage, edge play, orgasm denial or a damn good spanking. Her favourite item in the toy closet (a box simply isn't big enough) is her riding crop. In her spare time she's usually cuddled up with a good book, exploring the countryside or baking in the kitchen. In fact, she loves her kitchen so much she's one of few woman who wouldn't mind being tied to it! Her first and foremost love is writing, however, and more often than not you'll find her on a laptop spinning tales of romance, erotica or dark, paranormal fantasies. The darker the better ;)
