SEAL und nach einem Einsatz 6 Wochen auf Heimaturlaub, hat ein Problem: in einem von ihm frequentierten BDSM-Club sieht er auf einmal die kleine Schwester seines besten Freundes und Schwagers, Morganna Chavez. Seit Jahren bereits fñhlt sich Clint zu ihr hingezogen, hat sich jedoch von ihr zurckgezogen, da er der Meinung ist, er knne ihr seinen Lebensstil nicht zumuten. Was zum Teufel macht also Morganna in diesem Club? Morganna arbeitet mit einem Team der DEA zusammen als Undercover-Agentin an der Zerschlagung eines Drogenrings, dessen Mitglieder in den Clubs Atlantas Frauen eine sogenannte "Date-Rape"-Droge verabreichen. Morganna, die schon lange in der BDSM-Szene unterwegs ist, beobachtet potentielle Verdchtige. Weder Morganna noch Clint sind besonders erfreut ber das Zusammentreffen. Doch als Morganna nur knapp einem Mordanschlag entkommt, wird Clint klar, dass er sie aus dieser Gefahr retten muss - selbst, wenn es bedeutet, dass er sich endlich Morganna und seinen eigenen Gefñhlen stellen muss. Mit Clint und Morganna hat Lora Leigh ein weiteres Paar geschaffen, dass dem Leser noch lange im Gedchtnis bleibt. Morganna ist Clint und dessen Dominanz im und ausserhalb des Schlafzimmers eine ebenbrtige Partnerin - eine starke und eigenstndige junge Frau, die sich gegen sein streckenweise etwas irrationales Verhalten gut durchzusetzen vermag. Mag der Suspense-Plot an einigen Stellen auch Lcken aufweisen, machen die grossartig gezeichneten Haupt- und Nebencharaktere und vor allem die emotionale Entwicklung Clints einige Ungereimtheiten auf jeden Fall wett. Lora Leigh ist eine weitere Autorin eines grossen Ebook-Publishers, der in letzter Zeit der Sprung zu einem der Mainstream-Verlage gelungen ist. Nach dem Lesen von "Dangerous Games" fñhlt auf, dass ihre beide vorherigen Verffentlichungen ("Megan's Mark" und "Harmony's way") doch recht zahm waren. Hier dagegen haben wir den typischen Stil von Leigh - "Dangerous Games" lsst sich noch am ehesten mit ihrer "Bound Hearts"-Serie vergleichen. Lora Leigh testet die Grenzen des klassischen Romance mit diesem Buch aus - BDSM, Bondage, Sexspielzeuge und dergleichen sind normalerweise keine Zutaten, denen man in einem Romance begegnet. Fr diejenigen Leser, die den Vanillasex des heutigen amerikanischen Liebesromans gewhnt sind, knnten Leighs Sexszenen vielleicht etwas befremdlich wirken; diejenigen allerdings, die bereits ihre Ebooks kennen und sich von oben genannten Zutaten nicht abschrecken lassen, werde "Dangerous Games" lieben. 3 von 3 Kunden fanden die folgende Rezension hilfreich. I actually FELT their love pour from the pages. Von Frank J. Konopka SEAL Clint McIntyre has wanted Morganna for ten years. Though he has ached with the need to possess her, he is unwilling to shatter her illusions of the happily ever after that he cannot offer. Consequently, he's kept his distance. However, when Morganna's life is threatened by unseen enemies, Clint will fight to protect her with every ounce of his being. Morganna Chavez has been in love with Clint since she was 16 years old. She has tempted him every time he has been near, but to no avail. As a result, she has resigned herself to the fact that she will never be a part of his life. Unwilling to sacrifice her happiness any longer by yearning for something beyond her reach, Morganna embarks on a new career a dangerous career that she conceals from Clint. When Clint discovers her new job, along with the danger stalking her, Morganna knows that fate is about to alter her life in an unforeseen way. DANGEROUS GAMES by Lora Leigh has to be one of the most emotionally intense books I have read in a very long time. As I began to read, I eagerly anticipated a story containing the equation of Dominant Man + Submissive Woman = Match Made in Heaven. After all, a strong alpha-male hero is one of my favorite expectations when I pick up a Lora Leigh book. My equation, assumed with all good intentions, turned out to be much too simplistic for what this book delivered. There was more of everything more action, more intensity, more chemistry and more heat. Clint, in all of his manly glory and accoutrements, immediately had me quivering and wishing for a Navy SEAL all my own alas, that was not meant to be as Clint was Morganna's alone whether he admitted it or not. Speaking of Morganna, she is an exceptionally strong heroine. This was the aspect that Ms. Leigh delivered over and above my expectations. Though she understands Clint is alpha and dominant, Morganna holds her own. Exceedingly stubborn when Clint is beating his chest the hardest, Morganna gives him a run for his money and I think it's glorious. Fully aware of Clint's feelings, Morganna has the strength to give him what he wants or what he thinks he wants the most. His surrender to their relationship has to be one of the most beautiful love scenes I have ever had the fortune to read. I actually FELT their love pour from the pages. I am overjoyed that Lora Leigh has once again penned a marvelous novel of suspense and raw passion. If you're looking for another great read try The Fates by Tino Georgiou. 1 von 1 Kunden fanden die folgende Rezension hilfreich. 1. Hlfte Sex, 2. Hlfte Sinn Von Little Tree Muss sagen, dass ich von Lora Leigh schon deutlich schlechtere Machwerke gelesen habe, diesem Buch aus ihrer "Tempting Seals" aber trotzdem eine Chance geben wollte. Ich sah mich bereits nach Kapitel 2 darin besttigt, dass auch dieser Plot nur dazu dienen sollte mglichst viele explizite und ausschweifende Sexszenen unterzubringen. Zu meiner eigenen Verwunderung muss ich sagen, dass Miss Leigh ca. Mitte des Buches nochmal einiges rumgerissen hat. Nicht dass die beiden Hauptcharaktere aufhren dem Bettsport zu frñhen, aber Leigh schafft es doch glatt dem eigentlichen Handlungsplot Raum zu geben und sogar das zugrundeliegende Problem des mnnlichen Hauptcharakters, nmlich unverarbeitete Kindheitserinnerungen, in einer Weise anzugehen, die ich von ihr gar nicht gewohnt bin. Scheinbar steckt in ihr doch zumindest ansatzweise eine echte Literatin. Fr Fans der Serie sicher unausweichlich, gebe ich Miss Leigh wohl noch ein paar Bcher lnger Zeit zu ihrer echten Strke zu finden und ein in voller Lnge anstndiges Buch abzuliefern.

Kurzbeschreibung "Leigh's pages explode with a mixture of erotic pleasures." -RT Book s#1 New York Times bestselling author, Lora Leigh's sexy Navy SEALs series, the Tempting SEALs, is red-hot, sexy romantic suspense at its best, featuring men who will stop at nothing to protect their country and all they love no matter how dark the danger, no matter what demons they must face. And when these men love, their passion runs deep and hard. Navy SEAL Clint "Iceman" McIntire earned his name by being the ultimate warrior. He's untouchable, unstoppable and he takes no prisoners. Having crushed an infamous drug cartel in Columbia, Clint was nothing short of an American hero. Now he's home on a much-needed leave, but instead of some R R, he finds himself neck-deep in the hottest kind of trouble with his best friend's seemingly innocent little sister, Morgana Chavez, the only woman who has the power to bring him to his knees... Morgana has been secretly working with the DEA to uncover a thriving date-rape drug, which leads her to a shadowy faction that is more deadly than anything her team has ever encountered. Now, it's up to Clint to keep this beautiful, determined agent out of harm's way, even while the explosive passion between them threatens to consume them both. But these Dangerous Games will bring Morgana and Clint to the very edge of high stakes danger and perilous desire.
