**Von Amanda Scott : Dangerous Lady (The Dangerous Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous Lady (The Dangerous Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Volatile!Von Ein KundeLady Letitia Deverill arrived in London to begin her new duties as maid of honor to Queen Victoria. Letitia was the only Tory among the Queen's ladies situated there only to "balance the mix". Every other lady was a Whig. Lady Catherine was the only friendly one toward Letty. Viscount Raventhorpe was the most irritating and

interfering man to her. Letty also inherited a house in Mayfair, inhabited by two elderly women. Due to terms of the inheritance, the two women were allowed to live in the house for the rest of their lives. Letty had no problem with this since she found the women to be very sweet, even though a bit eccentric. Problems began when Letty's pet monkey uncovered the secret of the house. Letty and Raventhorpe are then constantly trying to avoid scandal because of the house's secret. Letty soon discovers a plot to assassinate the Queen. Now Letty and Raventhorpe must act quickly to thwart it. \*\*\*Fascinating court intrigue! I loved watching Letty's cool independent head battle with Raventhorpe's opinionated one. A love match between a Tory and a Whig! It was volatile to say the least! Amanda Scott was even able to keep much historical information and dates in the story. It made it even more realistic.\*\*\*

Von Ein Kunde

In 1839 London, the will of Mr. August Benthall left several individuals in shock. Most of the estate went to his nephew Lord Justin Raventhorpe. Justin's father expected the estate to end up in his hands via his spouse. He is irate with his wife's deceased cousin. Even more surprising is that an expensive estate on Mayfair was given to a non family member, Lady Letitia Deverill. No one seems to know why, including Letitia, August would do such a deed. Letitia is a Lady in waiting to Queen Victoria. Everyone at court ignores her because she is the token Tory while everyone else is a Whig. Justin happens to be a Lord in Waiting to Her Majesty. As he and Letitia come into contact with one another, an attraction grows even though neither welcomes it. However, when Letitia's monkey finds the secret behind her inheritance, the Tory turns to Justin for help because Her Royal Highness may be in jeopardy. Amanda "the Great" Scott demonstrates why she is a best selling historical romance author with her awesome latest novel, DANGEROUS LADY. The crisp story line is fast-paced and provides her audience with a wonderful glimpse into the early days of Victoria's reign. The characters are warm, witty, and wonderful with the treasured return of an adult Letitia (see DANGEROUS ANGELS). Just like her tremendous "Highland" and "Dangerous" trilogies, Ms. Scott brilliantly enflames the passions of love in a world engulfed by treacherous conspiracy.

**Kurzbeschreibung** A conspiracy against the throne unites a lady and a viscount at odds in this suspenseful Regency romance from a USA Today bestselling author. Accompanied by her chaperone, her dresser, and her adored pet monkey, Lady Letitia Deverill comes to London to serve as maid of honor to the young Queen Victoria. An impassioned Tory in a sea of Whigs, Letty has no intention of changing her political views. The headstrong noblewoman soon discovers she has enemies at court, and none more formidable than the powerful and irresistible Viscount Justin Raventhorpe.
