Von Lisa Marie Rice : Dangerous Lover (Dangerous series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dangerous Lover (Dangerous series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A good erotic suspense novel Von S. Fischer Caroline Lake has had a hard life during the last few years. Coming from a wealthy family, she lost everything but the old house that's badly in need of repairs when her parents and younger brother had an accident. Both her parents died and her brother was badly injured. After several years of high health

expenses he also died and she's left all alone. Jack Prescott grew up without a mother and an alcoholic father in homeless shelters. In his youth, Caroline was the only beam of light in that darkness. Since then he made a career as a soldier and mercenary. After twelve years he wants to start a new life after a group of mercenaries wiped out an African village for their diamond stash. He goes to meet Caroline and the two soon become lovers. But one of the mercenaries is after Jack to get the diamonds back... This is a well-written erotic suspense novel with likeable characters with depth due to their hard past. The suspense elements are well-written, so are the erotic and romantic elements. I enjoyed the book and would recommend it. *Deadly Shadows* *Angel Eyes*

Kurzbeschreibung "I don't want to be alone tonight." Caroline Lake can hardly believe she would ever say these words to someone she'd never met before. When a tall, dark stranger arrives wanting to rent a room in her beautiful empty shell of a mansion, she hesitates. Though she is in dire financial straits, the man looks dangerous, dangerously sexy. She's overwhelmed by the desire he sparks in her, hotter than anything she's ever felt before, making her ache to experience his sensuous touch. But who is this armed and mysterious man with danger following in his wake? He's not who she thinks he is. Jack Prescott has wanted Caroline forever. He has spent the past twelve years dreaming of her, desiring her, while fighting in some of the worst hellholes on earth. Now he's back, with twenty million dollars in blood diamonds and a relentless enemy stalking him. But this time Jack's determined that nothing will stop him from finally making Caroline his.
