Von Tawny Taylor : Dangerous Master before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous Master:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very good story - and unbelievable hot!Von D.S.It was the first Kindle eBook I bought and I am not disappointed!Very good story, exciting and absolutely sexy!Zane, the vampire is incredible hot and Mandy (his lover) is a lovely person. A very strong woman who gets all weak when she is close to Zane, her DANGEROUS MASTER. And there is also

Sarah, Mandy`s friend. She surprised me in a way I never expected. But I won`t say more about it because I don`t want to spoil the story for other readers. There is just one reason why I give 4 stars instead of 5. Zane is a vampire - and there is not so much about it in the book. Tawny shows us a handsome dark man who has dark secrets. But I didn`t get the chance to see him "really dark". I missed the "Vampire Kiss", something very erotic in modern vampire stories. Zane loves Mandy, he is crazy for her, desires her. But he doesn`t feel the need to bite her? Not at all? That was very strange to me. There is nothing more exciting about hot vampire stories than the mixture between "pleasure and pain" in some way. Thank God Zane has got fangs...But I don`t want to be unfair - at the end it is Tawny Taylor`s story, her idea, HER BOOK! As I am an author by myself I know how it feels like. You have got the idea in your head and you want to create it this way. There is no point in saying "That is the typical vampire", because they don`t exist as we all know. We all have got our "fantasies" about them. And you can`t satisfy every reader as we all know...It was the first book of Tawny Taylor I read - and certainly not the last one! She has got a brilliant talent to write hot and steamy erotic scenes. It was a pleasure to read it...and who knows? Maybe in her next book I will find a hot AND hungry vampire who enjoys both - making love to his woman and feeding from her. That is, I want to be honest, the "kind of vampire" I love! The hot AND dangerous guys...A very fascinating book and I am happy that I bought it! Thanks a lot, dear Tawny Taylor!
