Von Kat Martin : Dangerous Passions before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous Passions:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Shallow. Don't expect too muchVon Ein KundeThe plot looks very promising especially at the beginning where Adrian got into

the right bed with the wrong woman it it. But don't be misled. It is supposed to be a spy story interwoven with romance. Unfortunately, the spying becomes the excuse to depict some passions. Therefore the story is shallow and thin. The reader should not expect any exciting or thrilling escapades in espionage--- there was none at all. The heroine, a country mouse, embarked on a foolhardy and haphazard mission of revenge single-handedly. She had only good looks but no brains. Without strategy or help, she thought she would sleep with one of the suspects, General Steigler, and he would disclose to her the secrets and thus she would find her brother's murderer. How infuriating naive! There was no mention of how she would extract the secret from the other two suspects. Anyway, it is an unsatisfying read which makes you annoyed with the heroine's ignorance and the writer's writing skill. 0 von 0 Kunden fanden die folgende Rezension hilfreich. story elements don't quite hang together Von Ein Kunde The story got off to an intriguing start with the premise of a spy-hunter heroine, but faltered when Elissa (and the author) didn't really have a plan of action. I realize that the romance is the central storyline, but the spy story was too underdeveloped and the actions of the hero heroine seemed arbitrary. Martin is a gifted writer and some passages are very moving, as when Adrian realizes he loves Elissa and the whole sub-story of Jamie. Not much investigation occurs, so there isn't much suspense. Initially, Elissa seemed too naive and Adrian too insensitive, but by the end their characters evolved into people you could care about. Unfortunately, the plot just didn't hang together. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A credit to the genre, and a big relief. Von Ein Kunde This book will never be credited as a great work of literature, but I'd like to give it credit for what it is. Too often romance novels depict sex scenes of obvious non-consent which the heroine ends up enjoying against her will. That sort of thing makes me sick, and I was so relieved to discover one book that shows clearly (from the beginning of the novel and each sex scene) that the heroine is enjoying herself, even if she knows better. I loved it, and was pleased to know that a charming moving love story can be written without forcing the lady against her will, or denying the fact that women are perfectly capable of saying yes on their own.

Kurzbeschreibung Let bestselling author Kat Martin sweep you away--from Society's grand ballrooms to the perilous battlefields of the Napoleonic War--in *Dangerous Passions*, a magnificent story of love, betrayal, and trust regained. When Elissa Tauber learns of her beloved brother's murder and that her native homeland is threatened, she is determined to expose the traitor. Posing as a recently widowed countess, she moves through the glittering world of the court, willing to barter even her lovely body if she must. More than one man poses a threat, but it is the tall, imposing Lord Wolvermont, Colonel Adrian Kingsland, who endangers her heart. Even as she suspects he might be the spy called the Falcon, she longs for his touch. When fate takes a hand, Elissa must decide whether to betray her mission-or lose the man she loves. Pressestimmen "Kat Martin shines like a diamond in the genre." --"Romantic Times" "Kat Martin delivers what readers crave; an exciting, sensual, engrossing romance. A master of the genre." --"RT Book s "(4 1/2 stars)" Unforgettable...an inspiring tale of love, hope, and promise." --"Rendezvous" Kat Martin delivers what readers crave; an exciting, sensual, engrossing romance.
