Von Toni Anderson : Dangerous Waters (The Barkley Sound Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous Waters (The Barkley Sound Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr schlichtVon Heidemarie PuntschuhDieses Buch hat mir überhaupt nicht gefallen. Es ist von einer Schlichtheit, die

berrascht, selbst die Sprache erscheint mir recht kindlich. Die Story selbst ist gleich von Beginn weg schnell vorhersagbar. Inhalt: Junge, natrlich bildschne Polizistin hat die Aufgabe einen Mord aufzuklren. Sie ist ber alle Maen tchtig, braucht berhaupt keinen Schlaf und auch nichts zu essen. Gleich beim ersten Einheimischen sprhen bereits die erotischen Funken. Schn auch, dass sie die Tochter des obersten Polizeichefs ist, was sie selbstverstndlich nicht ausntzt. Und so geht es dahin bis zum happy end.....Danke ich brauche keine Fortsetzung.2 von 2 Kunden fanden die folgende Rezension hilfreich. Good readVon CatflatLikeable characters, picturesque setting. Having visited Ucluelet, I could relate to the scenery. Very well written. I'd definitely read the 2nd book and others by this author.0 von 0 Kunden fanden die folgende Rezension hilfreich. Dangerous watersVon MadeleineEine spannende Geschichte mit unerwarteten Wendungen, wie man es von anderen Bchern von Toni Anderson bereits gewohnt ist, z.B. die .Cold Reihe

Kurzbeschreibung2013 Daphne du Maurier Award FinalistKnown as the Graveyard of the Pacific, Barkley Sound is notorious for surging swells with the power to pull helpless victims into its merciless abyssSergeant Holly Rudd arrives in the coastal community of Bamfield after local divers discover a body with a knife jutting from its chest in the waters of Barkley Sound. As she investigates the crime, Holly soon realizes the sleepy town is rife with secrets. But what unsettles her most is the residents insistence that she bears a striking resemblance to the victim of a murder from three decades earlier. She shrugs off the uncanny likeness as a coincidence. But her simmering attraction to Finn Carver, one of the divers who discovered the corpse, isnt so easy to ignore.Finn, a former Special Forces soldier, knows its best to keep his distance from Holly. Yet it isnt long before they both give in to the consuming desire they share. And as the danger escalates, Finn and Holly must rely on each other to thwart the plans of a cold-blooded killer whos intent on keeping the past buried.Kurzbeschreibung2013 Daphne du Maurier Award FinalistKnown as the Graveyard of the Pacific, Barkley Sound is notorious for surging swells with the power to pull helpless victims into its merciless abyssSergeant Holly Rudd arrives in the coastal community of Bamfield after local divers discover a body with a knife jutting from its chest in the waters of Barkley Sound. She was born and raised in rural Shropshire, England, and, after living in five different countries, she finally settled down in the Canadian prairies with her husband and two children. Combining her love of travel with her love of romantic suspense, Anderson writes stories based in some of the places she has been fortunate to visit. When not writing, shes busy walking her dog, gardening, and ferrying the kids to school, piano, and soccer games. She is also the author of Storm Warning and Edge of Survival.
