Von Amanda Quick : Dangerous before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Charming bookVon ElenaAIt is a wonderful book that has it all... the love, the mystery, the adventure... This one has a

few ghosts and a wonderful mystery. Definitely a great read, with once again a strong and determined heroine and a reluctant and mysterious hero. 2 von 2 Kunden fanden die folgende Rezension hilfreich. A good fun and lighthearted regency - one of her best. Von Helen Hancox This book is an excellent read, great fun, amusing dialogue and an interesting story. The hero, Sebastian, Earl Of Angelstone, has become disenchanted with society and blames his relatives for their treatment of his now dead parents. He has a reputation as a dark and dangerous man. Prudence Merriweather is a countrified young lady who comes to town with her rather foolish brother. When she discovers her brother is going to fight a duel with the Earl of Angelstone (because her brother wants to keep Angelstone away from Prudence) she decides to beard the lion in his den and persuade him not to fight her brother. The scene when Prudence and Sebastian meet is very amusing. Somehow she is able to cajole him into apologising and thus defusing the duel. But this isn't the solution that Prudence's brother was hoping for - rather than Angelstone leaving Prudence alone his interest is piqued in her. Prudence is a typical Amanda Quick heroine - rather singleminded about her hobby of investigating spectral phenomena and rather uninterested in her reputation. When her reputation is seriously jeopardized she finds herself and Angelstone learning to deal with each other. The scenes of domestic not-quite-bliss between them are very amusing with Prudence showing a fishwife side to her character which Sebastian loves. In form for an Amanda Quick heroine, Prudence also starts poking her nose into others' business and trying to sort them out. Sebastian finds himself trying to protect his cousin from a murder charge and Prudence is working to reconcile him with his family. Some reviewers haven't liked this book, not finding much to admire in Sebastian. I think the opposite, I find him a very interesting character and his dry wit appeals to my British sense of humour. The plot to find the baddie to me takes second place beside the struggle for Sebastian to deal with his past events and for Prudence to feel at home with him. It's an enjoyable read and, for me, one of the best of Amanda Quick's novels. It ain't a great scholarly work, historical accuracy is pretty dodgy, but it's light and frothy and has a happy ever after ending. 2 von 2 Kunden fanden die folgende Rezension hilfreich. One of Amanda Quick's best. Von Emily This was a really good book Prudence was smart and she had a head upon her shoulders and she didn't do stupid things that would get her or somebody else killed. I loved Angelstone's temprament and the way he included Pheobe in his "investigations". He wasn't a prig and he didn't try to control Pheobe in her inquiries in Spectral Phenomenon (ghosts) and he understood that she was her own person and didn't try to change her. The entire plot and the mystery was good and unlike most Amanda Quick was actually quite realistic.

Kurzbeschreibung From a magnificent ballroom ablaze with lights to an imposing country house steeped in shadows comes a breathtaking tale of an impetuous miss and a passion that leads to peril... At five and twenty, Prudence Merryweather knew very well the risks a woman took by visiting a gentleman in the dead of night. But bearding the notorious Earl of Angelstone in his den was the only way to stop him from engaging her hot-headed brother in a duel. And that was why she found herself ushered into Sebastian's forbidding presence at three in the morning and thoroughly kissed before dawn. She was a country-bred innocent and an intriguing experience for a man who dwelt more in the shadows than in the sunshine. Yet as her boldness drew Prue into one dangerous episode after another, Sebastian found himself torn between a raging hunger to possess her and a driving need to protect her. And the reckless beauty would soon need all the protection she could get... From the Paperback edition. Kurzbeschreibung From a magnificent ballroom ablaze with lights to an imposing country house steeped in shadows comes a breathtaking tale of an impetuous miss and a passion that leads to peril... At five and twenty, Prudence Merryweather knew very well the risks a woman took by visiting a gentleman in the dead of the night. But bearding the notorious Earl of Anglestone in his den was the only way to stop him engaging her hot-headed brother in a duel, and that was why she found herself ushered into Sebastian's forbidding presence at three in the morning and thoroughly kissed before dawn. Synopsis At twenty-five Prudence Merryweather knew very well the risks a woman took by visiting a gentleman in the dead of the night. But bearding the notorious Earl of Anglestone in his den was the only way to stop him engaging her hot-headed brother in a duel, and that was why she found herself ushered into Sebastian's forbidding presence at three in the morning and thoroughly kissed before dawn.
