**Von Linda Lael Miller : Daniel'S Bride (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Daniel'S Bride (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. From unwanted to wanted wifeVon MissGoWestIn 1877, 20-year-old Jolie McKibben heads west to the town of Prosperity in the Washington Territory. Her two companions rob the bank, shoot a man, and leave her to a cruel fate -- death by

hanging. Yet the widowed farmer Daniel Beckham decides to save her life by marrying her according to the town's wedding ordinance. Jolie now faces a big challenge -- winning this stranger's hardened heart to get what she is dreaming of -- a real home and family. Given the nature of this novel, there are plenty of sensual scenes. Many a reader will find them perfect swooning material, but, other than that, the detailed love scenes don't propel the story. Concerning Jolie's and Daniel's romance, a little less would have been more. Jolie's inner turmoil could have been expressed better than letting her alternately say or think "I hate you, Daniel Beckham" and "I love you, Daniel Beckham." Linda Lael Miller created a solid western romance novel complete with steamy love scenes. If you like that genre as well as stories set in the Old West, you will find "Daniel's Bride" to be a satisfying read. If you can do without the sensual factor and want a more realistic approach to the western theme, give the pioneer novel "Against All Odds -- The Lucy Scott Mitchum Story" by Barbara Riefe a try. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Favorite Von Ein Kunde Narrowly escaping the hangman's noose, Jolie marries Daniel to save her own life. She figures she can always escape when the coast is clear, but the one thing Jolie did not count on is falling in love with this highly respected Widower Rancher. Miller's Daniel's Bride is another Romantic classic with adventure, intrigue, and mystery. Her characters are real, and easily understood, and her plot is extraordinary. 0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent read! Von Ein Kunde This book is so well written you will personally feel Jolie's every emotion as she deals with her husband Daniel. Her hopes for the marriage are complicated by her past and reluctance to initially be upfront with Daniel in an effort to protect him from the bad guys. Daniel is so responsible and capable you find yourself urging Jolie to tell him everything. Unforgettable storyline!

Kurzbeschreibung When a woman has to choose between death and marriage to a total stranger, she must be in a dire predicament.... And for Jolie McKibben, about to pay by hanging for a terrible crime she didn't commit, salvation by marriage couldn't come a moment too soon. Housekeeping for Daniel Beckham, a widower who invoked the town's wedding ordinance to rescue Jolie from the gallows, is better than the alternative...but understanding the silent stranger who is now her husband might just about kill her. Daniel doesn't believe in Jolie's innocence. And despite his willingness to marry the pretty, defiant "outlaw" on the spot, the prosperous farmer had little to say to her after "I do." But for Jolie, their arrangement of convenience soon deepens into a rich and vibrant attraction that sets her trembling with desire in Daniel's presence. Somehow, she would win his love, body and soul. Unless the desperados on her trail shatter the fragile, trusting bond of husband and wife.... Linda Lael Miller's beloved novel of the American West shimmers with the unbridled passion of two adventurous hearts! Pressestimmen "Affaire de Coeur" Wildly romantic.
