Von Carolyn Whyte : Darcy's Denial: A Pride and Prejudice variation (Denial and Deliverance Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Darcy's Denial: A Pride and Prejudice variation (Denial and Deliverance Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. very touching story  
Von peterstenI've often wondered why Elizabeth never chose the funny and amiable Colonel Fitzwilliam over the proud and disagreeable Mr. Darcy. In this fan fiction, it happens all naturally and still, I was crying in the end. A very touching story!

KurzbeschreibungWhat if Colonel Fitzwilliam had made Elizabeth's acquaintance before Mr Darcy? In this variation of Jane Austen's classic, Colonel Fitzwilliam attends the ball in Meryton and gets off to a much better start with Elizabeth than does Mr Darcy. Unfortunately the colonel is to be reposted to the continent, and neither he nor Elizabeth have enough fortune to make a continued relationship prudent. But when circumstances change, can Mr Darcy overcome the poor first impression he has made on Elizabeth, or does he risk losing the only woman he ever loved to his cousin? This variation deviates from Jane Austen's original plot. It can be read as a complete story by itself, though the final resolution will come in the second volume.
