Von Nora Roberts : Daring To Dream: Number 1 in series (The Dream trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daring To Dream: Number 1 in series (The Dream trilogy):

books never fail to engage and keep my attention. When I finish one of her books I often find myself missing the characters I have just spent so much time reading about. The characters of the Templeton family were no exception. I think Kate's story was my favorite as it was the most realistic of the three. But I loved them all. I would love to see more books in the future - perhaps written in a similar fashion to the McGregor family series of books. I would like to see books written about Ali, Kayla, and JT's journeys into adulthood. Keep writing Nora - I'll always be a great fan. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another winner by Nora Roberts! Von Ein Kunde After reading a few chapters in this book, I found out that I did not really like Margo as a person. This book also reminded me of the movie "Sabrina". Margo was not very appreciative of what she had, and did not treat her mum very well, (of course her mum did not treat Margo very well either) She straightens out her life after her glamorous world she created for herself in Europe came crashing down, and she found out that family loyalty was the best gift. Her dream ended up helping her and her two sisters grow. This is a good book, but number 2 is the best, and number 3 the second best of the trilogy. 1 von 1 Kunden fanden die folgende Rezension hilfreich. this book was great! Von Ein Kunde I'm a long time fan of Nora Roberts, i think she is the best romance novel writer of all time! Daring to Dream is my favorite book by her! I love how Josh and Margo get together in the end. it is so romantic how she used to have a crush on him, and he tried to help her out so many times anonymously. Another book i really like is Born in Fire. Be sure to look out for Nora Roberts newest series, the Irish trilogy. i've just finished reading Jewels of the Sun, and i can't wait for the second book, Tears of the Moon to come out.

Kurzbeschreibung Raised together, Kate, Margo, and Laura are as close as real sisters, despite their differing backgrounds. Laura Templeton is the beloved daughter of the wealthy Templetons, Kate Powell is her orphaned cousin, and Margo Sullivan is the housekeeper's daughter. Margo has achieved fame and success far away from home, but her world comes crashing down when the man she thought she loved loses all her money and involves her in an international scandal. Devastated and broke, Margo has no choice but to return home to try to rebuild her life. Laura's older brother, Josh, has been in love with Margo for years. He's always disapproved of her lifestyle, but her unexpected return heats up the long dormant passion between them. But is Margo just on the rebound, or could she really be falling for Josh? .de Set in Monterey, California, this first novel in the Dream trilogy features Margo Sullivan, the feisty and beautiful daughter of a wealthy family's housekeeper. She's been offered the same privileges as the Templeton children, but Margo resents handouts. She feels she has much to prove to herself, her surrogate family, and her mother. Margo dreams big--she wants wealth, fame, and success--but she doesn't want anyone else's help. Her plan is to go as far away from home as possible, so she starts with Hollywood and then moves on to Europe, where she finds fame as a supermodel. But when her world comes crashing down around her, Margo discovers that reaching out for help--especially to your family--can be just as challenging and rewarding as solving your problems on your own. .com Set in Monterey, California, this first novel in the Dream trilogy features Margo Sullivan, the feisty and beautiful daughter of a wealthy family's housekeeper.
