Von Michelle Horst : Dark Boundaries: A Forbidden Romance (A Boundaries Novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Boundaries: A Forbidden Romance (A Boundaries Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. To be honest...Von Conny... I had a very hard time to get into this book first as it was so different from what I ever read before written by Michelle. Sex slavery is absolutely nothing to sugar coat and this book is brutally honest about that

topic. After a few pages I was not sure if I will be able to continue reading but I am glad I did fight myself past that because I loved the story. Like always you can feel yourself into the characters and agree (and also totally disagree) with their decisions. I can't wait for the sequel!

KurzbeschreibungMy story is dark and disturbing, but it's mine. I'd go through it all again for him.He stole me. He broke me. I'm being auctioned for fifty thousand dollars.Now, I don't belong to anyone. But strangely enough, I wanted to belong to him.It's his eyes ... I lost myself in them.To some, I might be weak for wanting the man who broke me. But I saw another side of him. I saw a side that could care ... could maybe even love.As much as I try to fight my feelings for him, I just keep falling harder.I can only hope he'll be there to catch me before I hit the ground.This is a Stand Alone full length novel. It's a Forbidden Dark Romance. All books have HEA and no cheating.
