Von Christine Feehan : Dark Demon (The 'Dark' Carpathian Book 16) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Demon (The 'Dark' Carpathian Book 16) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. At least we are not jumping aroundVon Rin HayashiThis issue follows Vikirnof - whom helped to defeat the vampire of the last issue - and Natalya to Europe. Natalya is under compulsion planted years earlier to find something old as she can access (especially violent) memories of items she touches. The vampires hunt her for this gift, yet she seems not to understand what the "small task" they want of her is. When Vikirnof and she team up, the main problem for him is the fact that she fights and references lots of movies - none of which he has seen. Many characters from previous books are either mentioned or make an appearance in this one, which ties in nicely. Sadly, this also is a problem (see i.e.4) where actions are mentioned that are not in the main series).There are some troubles. Mainly contentwise.1) "I wish I had known about incinerating the heart."

KurzbeschreibungA female vampire slayer proves as seductiveand mysteriousas the night dwellers she stalks in this novel in the #1 New York Times bestselling Carpathian series.For as long as she can remember, Natalya has been fighting demons: first in the form of childhood nightmares, then later, immortal creatures that kill and prey on the innocentincluding her own twin brother. Whether Carpathian or vampire, she slays those who murder by night, and has no equaluntil she is seduced by the very thing she considers her enemy...A Carpathian who has seen nearly everything in his endless existence, Vikirnof didnt think he could be surprised anymoreuntil he faces a woman who rivals him as a vampire hunter. A formidable and gifted warrior in her own right, Natalya has a nature that is strangely familiaryet alien to his own. Who is this mysterious female who fears no onenot even him? Natalya could be the key to the survival of the Carpathians, but all Vikirnof is certain of is that she is the key to his heart and soul...PressestimmenPraise for Christine Feehan and her Carpathian novelsThe queen of paranormal romance! The one who started it all! The erotic, gripping series that has defined an entire genre. I love everything she does.J. R. Ward, #1 New York Times bestselling authorAfter Bram Stoker, Anne Rice and Joss Whedon (who created the venerated Buffy the Vampire Slayer), Christine Feehan is the person most credited with popularizing the neck gripper.TimeFeehan has a knack for bringing vampiric Carpathians to vivid, virile life in her Dark Carpathian novels.Publishers WeeklyRed-hot romance and great storytelling...a treat you cant refuse...Thrill-a-minute fantasy with complex characters and a story that captivates from beginning to end.Fresh FictionPressestimmen"Feehan has a knack for bringing vampiric Carpathians to vivid, virile life in her Dark Carpathian novels...
