Von Elizabeth Lowell : Dark Fire (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Fire (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. the classical romantic dilemma....Von Ein Kunde...would I rather jump into bed with this guy or strangle him? Yes, the story is great, the writing is funny, full of tension (not all of it sexual), and, yes, absolutely read hot. So it would be a great book if it wasn't for the fact, that the credibility of the characters is violently threatened if not downright murdered be the fact that otherwise healthy people suffer from industrial grade delusions. The smashingly beautiful heroine who is so hot that the ground starts to smoke where she stands but nonetheless is utterly unaware of her own attraction - beam there, done that, that's part of every romance writers standard equipment. The sexy, somewhat arrogant and rough hero - the oldest clichée in the field, fine, and let it be due to this arrongance that he decides, before

even meeting a woman, that she is spoiled, arrogant, and considers him a peon. But that this blasted creature, in clinging to this prejudice for dear life, continually insults and hurts a woman who in return not only pays him thousand dollars a day for this treatment but also falls in love with him - now that is well over the border line between conditionless love and pure masochism. Never mentioning that a woman who has fought all her life against an arrogant father trying to force his will onto her would have to be one dumb girlie to fall for a likewise guy, no matter how hunky. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Trace Rawlings..Forget Cynthia...Can I Marry You? Von kann27@gateway.net Be still my beating heart...Trace is such a wonderful character and Cindy is so sweet and determined (to find her business partner in the Andean Forest) that I just LOVED this Book! The only thing I didn't like was that the story was too short, a total of 247 pages...It only lasted 1 1/2 hr of quality romance reading time. There is another book "Fever" that features Cindy's Brother Rye McCall, also a good read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Lowell is #1! Von Ein Kunde I love all of her books but Dark Fire is really one of the greatest. The words just took me away. It was like I was there with Cindy and Trace in the cloud forest. I couldn't put it down.

Kurzbeschreibung First time in eBook. Cindy McCall wanted only one thing to be loved for herself rather than for Big Eddy McCall's fortune. Trace Rawlings never knew his father or his mother, but he had made a home for himself in the beautiful, treacherous cloud forests of Ecuador. When Trace accepts a job guiding Cindy McCall safely through the wild forests, he believes he is being paid only for his local knowledge. Cindy believes she has hired Trace for his skill. Both are wrong. When Big Eddy's deception is revealed, Trace and Cindy have to fight to hold on to what they found deep in the cloud forest--the dark fire of love. Kurzbeschreibung First time in eBook. Cindy McCall wanted only one thing to be loved for herself rather than for Big Eddy McCall's fortune. Trace Rawlings never knew his father or his mother, but he had made a home for himself in the beautiful, treacherous cloud forests of Ecuador. When Trace accepts a job guiding Cindy McCall safely through the wild forests, he believes he is being paid only for his local knowledge. Cindy believes she has hired Trace for his skill. Both are wrong. When Big Eddy's deception is revealed, Trace and Cindy have to fight to hold on to what they found deep in the cloud forest--the dark fire of love. Synopsis Cynthia Ryan makes her way through the dangerous Andean Cloud Forest with the help of guide Trace Rawlings--a callous man she despises--and as they forage deeper into the forest, she can no longer deny the passion that flares between them. Reissue.
