Title: DARK FLAME  
THE FLAME SERIES: BOOK 3  
AUTHOR: CARIS ROANE  
REVIEWER: STEPHANIE JORDAN  
Ms. Roane is one special lady, most likely that's why I've probably read all her books, we'll almost all, I might of missed a few. It never fails when I read her books I'm always in a far away land with the most handsome hunk, the most amazing orgasmic sex in the world, who is going to take care of me.. Lol in many ways! This is a series of Must Read.. Robert Brannick is a Vampire working as a Crescent Territory Border Patrol Officer. On the side he helps abused and bated women who are drugged up by Dark Flame so they could be used in the sex trade. Brannick had dug underground tunnels at various homes so him and Mary could smuggle these women out. Juliet Tunney is an altered fae, she had been working for Brannick and Mary for 5 months now. She has a big secret that she keeps so Brannick doesn't know. She's been breaking the law for 5 months now. Can she keep it up or will she get arrested? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Do you love alpha warriors haunted by dark pasts? Do vampires, shifters and fae make your night? Meet vampire Border Patrol Officer Robert Brannick  
Committed to the rule of law, Brannick falls hard for a beautiful fae woman who illegally seduces him in his dreams  
New York Times bestselling author, Caris Roane, presents DARK FLAME, the third book in the Flame Series. Brannick works with Juliet Tunney to help several human women escape the nightmare of Five Bridges. But something isn't right. Juliet acts as though she knows him really well, yet he's only met her once. Unless the dreams he's been having about her aren't dreams at all. When a sensual dream surfaces in vivid images and sounds, he knows something's up with the beautiful fae woman from Revel Territory. And if what he suspects is true, Juliet has a lot to answer for. Juliet fell hard for Brannick the night she first signed on to help out with his rescue operation. She even violated a serious Revel Territory law by invading his dreams. What she hadn't expected was how readily he took her up on her illegal dreamgliding offer. With her special fae abilities, she's been his secret lover for five months. Sworn to withhold the nature of their dream-relationship from Brannick's conscious mind, she faces the hard truth that she's in danger of losing him forever because she broke the law. Once the truth surfaces, will Brannick ever be able to forgive her?  
DARK FLAME is a standalone story with no cliffhangers. It's a passionate, hot, paranormal romance, featuring a vampire and a witch set in the urban world of Five Bridges. Caris Roane is the author of eighty-three published works, thirty-three of which are paranormal romances featuring tortured warrior vampires in desperate need of worthy women. About Caris: She loves her desert garden, especially the birds and lizards who like to hang out. But she encourages the scorpions to inhabit elsewhere! Caris's motto? Live the fang!
