Von Jennifer Fulton : Dark Garden (Dark Vista Romance) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Garden (Dark Vista Romance) (English Edition):

Not her best workVon SandraJennifer Fulton can always been counted on for a solid novel, and this one is no exception. But it's not her best work, and the ending felt rushed after so many years of family feud. And I was puzzled that this is

marketed as a paranormal romance. It has very few paranormal elements, but it does have a gothic feel.

Kurzbeschreibung Two sworn enemies who cant resist each other. Something has to give. The Blakes and the Cavenders have been going at it since 1870 and Vienna Blake keeps up the family tradition, gunning for the Cavenders at every opportunity. All the same, shes shocked when Mason Cavender confronts her in her office and accuses her of murder. Vienna has the stunningly sexual Mason thrown out by security, but she cant rid herself so easily of her powerful, instant attraction to the woman shes been groomed since childhood to destroy. Last in a long line of Cursed Cavenders, as the media describes them, Mason has just walked away from the small plane crash that killed her brother. Now in charge of her familys crumbling business empire, she suspects sabotage and believes beautiful, ruthless Vienna Blake is responsible. Fearing for her life and grieving for her brother, Mason hires a private investigator to get evidence she can take to the police. She is frustrated when the man finds nothing but makes the bizarre suggestion that she hire a psychic to undo the curse on her family. He gives her a name. Phoebe Temple. Phoebes dreams have always centered on the victims of crimes, and she isnt surprised when the woman steps from her dreams into her life, asking for help. Exposing family secrets always comes at a price. With passion and family honor in the balance, Mason is willing to pay her dues. But can she persuade Vienna to accept a truce before its too late? Dark Garden brings together two powerful women who must confront the past if they want to seize the future. The third book in the Dark Vista series.
