Von Gail Z. Martin : Dark Haven (Chronicles of the Necromancer series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Haven (Chronicles of the Necromancer series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. super Reihe!Von NiniSelten so eine gute Fantasy-Reihe entdeckt, war echt begeistert. Und ich les wirklich viel. Spannung pur und coole Charaktere, hatte die Bcher alle jeweils in ein paar Tagen durch3 von 5 Kunden fanden die folgende Rezension hilfreich. Book 3 in the Chronicles of the Necromancer sagaVon Detra FitchThe war is not over yet. It has only changed form. King Martris (Tris) Drayke will have to go to war against Lord Curane soon. There are vayash

moru (vampire) in Margolan who intent to go with him. That will strain the Truce or break it completely. The Flow is unstable and getting worse. When it is out of balance, the Flow's power favors blood magic, and light magic becomes harder to control. That bodes badly for Tris because his abilities as a Summoner are light magic. The Winter Kingdoms have not recovered from the fight to bring down Jared the Usurper. Tris is beyond exhausted, having to cleanse the palace, Shekerishet, of the spirits Jared's rule violated. Shekerishet must be cleansed before Tris weds Princess Kiara and she lives within it. Jonmarc Vahanian is the new Lord of Dark Haven. By the Dark Lady's orders a mortal must rule Dark Haven to protect the vayash moru from believing themselves too superior. When Jonmarc appears before the Blood Council as lord for the first time Lord Uri, one of the five members of the Council, violates sanctuary and breaks Council law. Then Uri declares both the truce and the Council to be dissolute. Jonmarc must somehow earn the trust of the vayash moru. Uri does not seem to realize that by going rogue, he has given Malesh, his second, the opportunity he has been waiting for. Lord Curane employs dark mages and may be forming an alliance with Trevath, Margolan's southern neighbor. Lord Curane also has Jared's newborn son hidden away. Should Tris and Kiara not soon produce an heir or should the unborn heir be destroyed, Curane will have it all.***** The third installment follows all the previous main characters. Jonmarc's is the most interesting this time around, in my opinion. The story has a major cliff hanger ending. More than one loose thread is left dangling, be warned. If you do not like loose ends, buy each title as it is released and hold them until the series comes to a close. This saga is far too good to simply let it pass by unread. It is full of drama, magic, and amazing battles. I gladly lost a lot of sleep just so I could read "just a few pages more." Brilliant! *****Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungThe third book in the stunning fantasy series from Gail Z Martin. This novel follows the break out success of The Summoner and The Blood King. KurzbeschreibungThe third book in the stunning fantasy series from Gail Z Martin. This novel follows the break out success of The Summoner and The Blood King. ber den Autor und weitere MitwirkendeGail Z. Martin discovered her passion for SF, fantasy and ghost stories in elementary school. The first story she wrote at age five was about a vampire. Her favorite TV show as a preschooler was Dark Shadows. At age 14 she decided to become a writer. She enjoys attending SF / fantasy conventions, Renaissance fairs and living history sites. She is married, and has three children, a Himalayan cat and a golden retriever.
