Chronicles of the Necromancer #4Von Detra FitchKing Martis "Tris" Drayke has wed Princess Kiara, daughter of King Donelan and successor to the throne of Isencroft. The marriage joins the crowns of Isencroft and Margolan until

heirs can be born to place the kingdoms under separate rule once more. Now Queen Kiara is pregnant. Succession is assured. The time has come for Tris and his army to lay siege to Lord Curane's stronghold. The great energy river called the Flow is unstable, making it much more difficult for Tris and his mages to counter Curane's blood magic. The siege is going badly. Winter storms are fierce, food is scarce, and plague has broken out. As Tris fights in the south, Kiara is in danger. A traitor hides within Shekerishet and several assassination attempts have been made against Kiara. Corruption within the Council of Nobles has cast suspicions on old friends, such as Master Bard Riordan Carroway, who now waits for his death. Cam of Cairnrach, King Donelan's Champion, has been taken hostage to force Donelan into war. Cam has discovered the identity of the traitor whose actions betray both King Donelan and King Drayke (Tris). However, it looks as though Cam will die before he can send warning. In Dark Haven, Lord Jonmarc Vahanian must deal with chaos caused by Malesh of Tremont. Malesh tried to change Lady Carina into one of the vayash moru (vampire). But her healer magic battled the Dark Gift, leaving Carina between - not alive, but not undead either. Now Malesh is leading rogue vayash moru and slaughtering entire villages of mortals. Unless Jonmarc can quickly stop Malesh's group, the future of the entire Winter Kingdoms will be full of blood. ***** FIVE STARS! Gail Z. Martin brings together all the places and characters from the previous stories and escalates this fantastic drama to new heights. The author helps refresh readers' memories by giving a few summary pages at the beginning of the book. As with the previous titles, this story overflows with suspense, intrigue, betrayals, and court dramas. Every time I pick up a novel by Gail Z. Martin, she takes my breath away! ***** Reviewed by Detra Fitch of Huntress Reviews. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Top Von Sonja Ich hatte schon die anderen Bücher der Reihe gelesen, deswegen fand ich es eigentlich ganz nett wie alles zu einem Ende kommt. Wenn man die anderen Bücher nicht kennt, ist es wahrscheinlich nicht ganz so der Hit, da man einfach nicht den Werdegang der Charaktere kennt und die Bedeutung und Tragweite einzelner Handlungen nicht so gut abschätzen kann. Fans der Reihe sollten das Ende nicht verpassen ;) 0 von 0 Kunden fanden die folgende Rezension hilfreich.
