Von S.L. Jennings : Dark Light (The Dark Light Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Light (The Dark Light Series Book 1) (English Edition):

A little bit confusing, but in the end it was worth it!Von Tea PIn the beginning I just didn't get Gabriella. She was in love with her best friend, Jared? Well, for me it was kind of a "side story" within the book. Something from the past already. I

just didn't want to read about him. But then Dorian came into the picture. Oh my! Dorian made everything better. He was it! And of course, by the time Gabriella found out, who or what she was, the story was not so confusing anymore. A lot of things just clicked then. That also made her more likable. I could get why she was so disconcerting. Fortunately, I started the series when the second book was already published, because this one really has no ending. It just stopped and I started reading *The Dark Prince* right away. Most of the time the first book of a series is the best one. Here, definitely not the case! So, keep reading - it gets better and better...

Kurzbeschreibung Love. Sex. Magic. Before her 20th birthday, Gabriella was pretty much clueless about all three. In love with her best guy friend since the age of 14 and too crass and intimidating for most of the male population of Colorado Springs, love and good sex were virtually a myth. And then there's magic. Freakin magic. There's no way that legend could have a place in her less than exciting life. So why after twenty years of utter obscurity do her adopted parents hit her with the ton of bricks that is her true identity? And how the heck is she supposed to accept all this and become what she was truly created to be? Lucky for Gabs, sexy as sin Dorian is more than equipped to help her embrace these new revelations. And while everything about him feels oh so good, she soon learns that there's more behind his crystal blue eyes, chiseled body and exotic beauty. Something dark, menacing and downright unnatural. Yet Gabs is in way too deep to even try to turn away from him now. *Dark Light*, Book 1 of the *Dark Light Series*, is the raw, emotional story of a young woman's journey of self-discovery in a world that was not meant for her. And her scorching hot, lip-biting addiction for the man she can't deny, no matter the cost. *Contains strong adult content.

ber den Autor und weitere Mitwirkende Most known for her starring role in a popular sitcom as a child, S.L. Jennings went on to earn her law degree from Harvard at the young age of 16.
