MoonVon Wiebke B. The story is fast-paced and seductive, the characters likeable and the writing is very good. There are some twists, but basically you get what you expect, therefore 4 stars only. Still, it was a very enjoyable book and I read it through in one sitting. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr nah an 4 Sterne! Von Lena Ribka Der Plot ist eine gute Mischung aus Paranormal, Erotik und Action. Das Buch ist gut für Zwischendurch, wenn Sie etwas leichtes und unterhaltsames suchen. Für mich war vielleicht etwas zu viel Action, dafür war es nie langweilig.

Kurzbeschreibung From New York Times and USA Today Best-Selling Author Rebecca York Cole Marshall's a werewolf. Emma Richards is going to be his partner. Their dangerous assignment: to rescue a young woman forced into sexual slavery on a cruise ship of dark sensuality. As they fall under the spell of the steamy atmosphere, their own relationship heats to flash point. But what happens when she discovers her lover is a shape-shifter--as dangerous as the villain who commands this criminal enterprise? EXCERPT: The moment Emma followed Frank into the conference room, her nerves started to jangle. Cole Marshall was sitting on the other side of the polished rosewood table. Dark hair. Dark eyes. Dark tee shirt. He always reminded her of a predator on the hunt, which was probably why he made her nervous. They'd partnered on a few assignments, and she'd wanted to tell Decorah no way in hell would she do it again. But she knew that the boss understood the strengths of his staff and put the best team together for every job. This morning, it appeared that the outside operatives would be her and Cole. He gave her a tight nod, indicating that he wasn't any happier to see her than she was to see him. "What have we got?" Teddy Granada, one of the tech guys, asked as he bit at a hangnail. Frank Decorah passed out folders with photos and background information. The photos showed a young woman with striking strawberry-colored hair and blue eyes. Emma gasped when she saw the picture. "It's Karen Hopewell." "You know her?" Frank asked sharply. "We both went to Carlton Academy. She was a few years behind me. What happened to her?" She failed to come home last night, and her dad is worried sick. Her mom died last year, and she's all he's got." "Maybe she bunked with a friend," Teddy said. "Possible, but unlikely. Considering that the father got a ransom demand early this morning." Emma's stomach was churning as she took in the information. Someone she knew. Kidnapped. **More stories in Rebecca York's Decorah Security series: #1 On Edge - Paranormal romantic-suspense novella - introduces the founder of Decorah Security Agency #2 Dark Moon - Paranormal romantic-suspense novel #3 Chained - Paranormal romantic-suspense novella #4 Ambushed - Paranormal romantic-suspense short story #5 Dark Powers - Paranormal romantic-suspense novel #6 Hot and Dangerous - Paranormal romantic-suspense short story #7 At Risk - Paranormal romantic-suspense novel #8 Christmas Captive - Paranormal romantic-suspense novella #9 Destination Wedding - Paranormal romantic-suspense novella #10 Rx Missing - Paranormal romantic-suspense novel #11 Hunting Moon - Paranormal romantic-suspense novel #12 Terror Mansion - Paranormal romantic-suspense novella #13 Outlaw Justice - Paranormal romantic-suspense novella #14 Found Missing - Paranormal romantic-suspense novel #15 Preying Game - Paranormal romantic-suspense novel **The Decorah Security Collection includes Chained, Dark Powers, Hot and Dangerous, and Ambushed. **For more sexy, action-packed thrillers from Rebecca York, check out the science-fiction romance stories in her Off-World series: #1 - Hero's Welcome - Sexy science-fiction romance short story #2 - Nightfall - Sexy science-fiction romance novella #3 - Conquest - Sexy science-fiction romance short story #4 - Assignment Danger - Sexy science-fiction romance novella #5 - Christmas Home - Sexy science-fiction romance short story #6 - Firelight Confession - Sexy science-fiction romance novella **The Off World Collection includes Hero's Welcome, Conquest, and Nightfall.
