Two Is Better Than One Von Ingrid Stephanie Jordan Title: Dark Moons Rising Author: Nia Farrell Reviewer: Ingrid Stephanie Jordan Genre: #PRN #Centaur My Score: 4 Well this is quite story I was just given this short story which releases tomorrow so I thought well I'll go ahead and read it since Ms. Farrell is a new author for me. I have to say I was intrigued by it especially after I realized they were Centaur Brothers , half horse half man. And the sex geezzzz Louise talk about hot. Of course one man is hot but two Woo-hoo Hot Steamy Sex wow take my breath away. Deidra of Ravenhill, child of Sola, a daughter of light. Ask for Sanctuary the Centaur Brothers, Thorne and Ragan will they

give it to her? If they do what will it cost her? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Deidra of Ravenhill is a daughter of light, a healer whose energy can be tapped by the one who marks her. Mordred, bastard son of Owain ap Coel, is determined to be that man. He captured the castle, killed her family, and forced her to train as a comforter, preparing her for his ultimate possession. While Mordred is gone, having the brand made to claim her, Deidra manages to escape the castle. She nearly dies in the forest but is saved from falling into a poachers pit by Thorne, a dark lord, one of the race of giant shifters that she's been taught to fear since childhood. With dark moons due to rise on the most dangerous night of the year, Thorne must become a centaur for them to escape the monsters that roam with the god of chaos. He carries her to the safety of his brothers hunting lodge, but is she truly out of danger? From Mordred, perhaps, but there are two dark lords who want her if she's willing to share.
