Von Azuka Thomson : Dark Patches (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Patches (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. very interesting storyVon rodrigoThis book tells a compelling story about a culture that forces Ndidu to accept a second wife into her matrimonial home, and the accompanying conflicts and danger. The descriptions are so vivid that one

can identify with the characters. Personally, I think that the second wife Josephine qualifies as a psycho! The Juju scenes were delicious. Great book!

Von Peter Morawietz
Dark Patches is an entertaining and revealing virtual journey into some of the cultures and traditions of the Nigerian people. The story was well told and the descriptions of the Juju shrine scenes were so vivid that I could clearly see them. The events appear very realistic. Great book!!!

Dark Patches is an emotional rollercoaster. The story is well-told and I especially liked the way the author continuously revealed the characters' thoughts. It made me cry, laugh, and cheer.
