Von Chris Philbrook : Dark Recollections (Adrian's Undead Diary Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Recollections (Adrian's Undead Diary Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

"realistic" Zombie SurvivalVon NekMr. Philbrook tells the story of Adrian, an ex-soldier, now school dorm supervisor. When the \*\*\*\* hits the fan, as Adrian would say, and the dead come back to live, he gets relatively fast back to his military training, which saves his life. What I like especially in Adrian's Undead Diary, is that it kind of believably describes the woes of Adrian and not only how he copes with the catastrophe, but more how he is able to survive. This is all told in a very matter-of-fact style, which shows the many problems a modern person would face, in such a situation. Not only this, but also Adrian's interaction with other -alive- people is more than realistic. There is no simple black and white, just grey survival. All in all, this is a very thrilling and exciting tale, well written and fun to read.

Kurzbeschreibung"Adrian's Undead Diary series is a must have for your zompoc collection." Ben S Reeder, Author of The Zompoc Survivor Series"A kick-ass protagonist. Bad-ass zombies. A cool-ass thrill ride. Adrian's Undead Diary is easily one of the best zombie tales out there. Chris Philbrook is on my keeper shelf." Rachel Aukes, best selling author of 100 Days in Deadland."A realistic account of the zombie apocalypse that sucks you right in. A great series!" T.W. Piperbrook, author of the Contamination series.Beheading a zombie isn't easy in a world where you're more afraid of the living than the dead.Adrian Ring's simple life is thrown into chaos when the world is ripped apart by a plague of undead and legions of desperate survivors. Retreating to Auburn Lake Preparatory Academy, Adrian attempts to rescue friends and family on the way while dancing around his impending insanity over who and what he left behind, and evading maniac survivors. He saves his cat Otis, but shoots his mom. Pretty successful, all things considered.Dark Recollections is the first part of Adrian's own story of how he survived after "That Day." Told through his eyes as he talks to his laptop, affectionately named 'Mr. Journal,' and through short stories that entwine with his tales that bring forth dark visions of a world being eaten alive by an unimaginable evil. Adrian's Undead Diary is an eight part epic about a solitary, guilt stricken man that didn't think he deserved to live, but realizes very soon that he survived, and suffered for a reason.It's a great read for anyone. The stories are well written, characters build carefully and every detail is covered. People, this is what a great book looks like! Stop reading this review and start reading the book! - Frank D of zombie-guide.comI don't even think one needs to be a fan of zombie fiction to end up a fan of AUD; because Chris's talent can't be pigeonholed into one limited, literary genre. His true talent lies in weaving an enduring, sweeping story that does exactly what it's supposed to do... pulls you in, engrosses you, evokes emotion, and leaves you satisfied (if not a little bit sad) when it's over. In the case of AUD, for me, the zombies are just a bonus! -Wendi HaegleThe AUD Saga:Book One: Dark RecollectionsBook Two: Alone No MoreBook Three: MidnightBook Four: The Failed CowardBook Five: WrathBook Six: In the Arms of FamilyBook Seven: The TrinityBook Eight: CassieDark Recollections is the first book in the AUD series. It covers Adrian's journal entries from September 21st 2010, to December 1st, 2010. Intermingled with his personal diary entries, book one also contains the short stories Phil's Story, McGreevy's Report, and Soccer Mom. It is now in its second edition, complete with a new author's foreword, an excerpt of Tesser: A Dragon Among Us, and with some grammatical fixes.Kurzbeschreibung"Adrian's Undead Diary series is a must have for your zompoc collection."
