Von Christine Feehan : Dark Symphony (The 'Dark' Carpathian Book 10) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Symphony (The 'Dark' Carpathian

Book 10) (English Edition):

KurzbeschreibungIn this thrilling novel in the #1 New York Times bestselling Carpathian series, Christine Feehan presents the story of one of the oldest Carpathians as he meets the woman meant to be his...Blinded and scarred in a terrible accident, Antoinetta Scarletti made music that thrilled the world with its beauty and passion. Descended from a long line of psychics, Antoinetta has learned to rely on her other senses to see the world around her, but nothing could have prepared her for Byron.He came to her, drawn by her music, and became her secret obsession. Others fear him, sensing that he is dangerous a predator but for Antoinetta he is her ultimate fantasy, her dream lover. He woos her with kisses full of erotic allure, whispering that she is his light, his salvation. Byron has waited an eternity for her, and he will let nothing stand between him and the woman born to be his lifemate...From Publishers WeeklyFeehan's followers will be well sated by the latest addition to her Dark series (after Dark Guardian), set in modern-day Italy. This time around the focus is on Carpathian vampire hunter Byron Justicano, a "good" vampire who feeds only to sustain himself. He is drawn to the haunting music created by Italian concert pianist, Antonietta Scarletti, the woman he has chosen to be his "lifemate." Blinded and orphaned as a child by an explosion on the family yacht, Antonietta, a strong psychic, is heir to the Scarletti family fortune and the massive Scarletti palazzo, which accommodates all her relatives. When Byron learns that someone within the family is siphoning off the family treasures and slowly poisoning Antonietta, her grandfather and her cousin, he draws upon his supernatural powers to catch the villain. Feehan's prose is smoothly laced with romance and erotica, and the subject matter is titillating. But new readers may be daunted by the complexity of the Carpathian world, which has its own set of rules (e.g., Carpathian males can mate for life only with mortals who are psychic, and if they don't mate, they lose their emotions). Once readers gain a foothold in Feehan's fictional realm, however, they'll be roped in by this unconventional and intriguing installment.
