But who could resist sexy, charming Jules? They hooked up in a bar, first names only, not exactly Rhianna's style but she needed to escape her life for a few

hours. Come tomorrow, she would take the witness stand against Werner Brigham, the man who had stalked and kidnapped her a year earlier. She can't believe it when she walks into the courtroom the next morning and finds herself staring at the woman she just slept with - none other than Julia Valiant, Brigham's hotshot defense attorney. Worse still, the woman whose touch she remembers so well brutally cross-examines her and demolishes the prosecution's case. Jules didn't earn her attack dog reputation by soft-peddling witnesses, but she suffers pangs over Rhianna. She is oddly drawn to this woman, a rare occurrence in her life, and by the time the jury returns its verdict, she is determined to see her again. Her chances don't look good when Werner Brigham is acquitted. Worse still, her client seems to think he can return to his old habits, this time with deadly intent. Danger and desire fuel a high stakes cat-and-mouse game, Jules has to win. But even if she does, will Rhianna ever forgive her?-----Dies ist ein gutes Buch. Punkt. Ich möchte mich mal ganz kurz zu meiner Vorrezensentin Dallas Irgendwas uern, deren Bewertung ich dem Buch gegenüber als ignorant empfinde. In diesem Buch gibt es keine Staatsanwältin. Es gibt Rihanna / Kate, das Opfer; Werner, den Stalker / Vergewaltiger und Jules, seine Strafverteidigerin. Von daher ist es recht irrelevant, ob es meiner Vorrezensentin schwer fällt, der nicht im Buch vorkommenden Staatsanwältin zu verzeihen. Schade, dass solch eine flache Rezension einem lesenswerten Buch schaden könnte.-----Ich gebe diesem Buch 5 Sterne, weil es mich gefesselt hat und mir jeden Euro wert war, den ich dafür gezahlt habe. Vergewaltigung ist ein schweres Thema und auch ich hätte mir von der Strafverteidigerin mehr Emotionen oder Wut gegen ihren Mandanten erhofft, als sie feststellte, dass sein Opfer, ihre neue Geliebte ist. Und sicherlich wäre es runder gewesen, wenn das Ende des Buches etwas auf sich hätte warten lassen, auf der anderen Seite aber, empfinde ich den recht schnell gelsten Konflikt der beiden Hauptprotagonistinnen aber als fair, denn keine hat in ihrer Rolle etwas falsch gemacht. So bel es auch schmecken mag, aber wie unrealistisch wäre es, wenn eine Strafverteidigerin gegen Gesetze verstößt, weil sie ihre eigenen Emotionen nicht kontrolliert bekommt. Job verfehlt. Setzen. Aus diesem Standpunkt heraus, ist der Roman für mich schlüssig. Die Sexszenen sind mehr als erotisch, beide Protagonistinnen sympathisch, die Spannung wird grandios gehalten... und ob es ein Happy End gibt müsst ihr selber lesen. LESEEMPFEHLUNG. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Spannend Von Equipoise Spannender Thriller... aber das Ende gefiel mir persönlich nicht. Die Wendung zwischen den beiden Hauptfiguren war wenig plausibel. Ich persönlich hätte der Staatsanwältin keine Chance gegeben... aber die Storyline um die Beziehung der beiden herum war sehr spannend. Bin etwas zweigeteilt ob ich das Buch empfehlen würde.
