One thing I always have to say is Ms. Rowe's writings always have me glued to my seat, her new paranormal series is phenomenal. I first started reading Order of the Blade Series Book 1 and I've been reading this author ever since. Bryn McKenzie saw a murder, the worst thing she has ever seen in her whole life. Since then she has been in protective custody until she can testify at Jace Donovan's murder trial. Yet for some reason she didn't think she was going to make it. She was going to die on Christmas Day. A whisper in her ear said "It's a rose, a white rose for friendship, a red rose for your heart, and a blue rose because the impossible is always possible." Only one person could know that saying and he left her over a decade ago without a word. Cash Burns knew when he heard of the hit on Bryn he had to step in and save her from being murdered by his pack. When he made that decision he knew the Pack would kill him, if they caught them that is. This is going to be an explosive series. I was gifted this ARC for an honest and truthful review. I'm ready for Dark Wolf Unbound Book 2 Coming 3/1/2016.

Kurzbeschreibung
New York Times bestselling author, Stephanie Rowe, launches her explosive new Heart of the Shifter series, in which passion and loyalty are brutally tested in a world where survival is never guaranteed. A decade ago, wolf shifter Cash Burns severed all ties to his past in order to protect his best friend, the childhood sweetheart he has never forgotten. When she's targeted for assassination by his pack on Christmas Eve, he's the only one who can save her but at a cost greater than he can afford. Haunted by a tragic secret, Brynn McKenzie has been fighting for survival, alone in a world she doesn't fit. She's on the run for her life, forced to choose between redemption and survival. She has nowhere to turn, until the man who walked away from her so long ago appears in her hotel room with a knife and a promise she can't afford to believe. When passion ignites between Bryn and Cash, will it shatter what little hope they have for survival, or make them stronger than they ever thought they'd be?
