Elise And Pallaton .

KurzbeschreibungIn Rhyannon Byrd's latest Bloodrunners romance, passion and secrets collide and only their love will save two werewolves and their pack. With his sharp gaze locked on the most magnificent female he'd ever seen, Wyatt Pallaton did his best to hold himself back. Of course, Elise Drake was hardly just any female. Fiery and cool, strong, yet at the same time achingly vulnerable, she'd turned his entire world on its head. No matter how bloody difficult it proved to be, he was done letting her pretend he didn't even exist. Done with letting her fight her own battles. Done driving himself slowly into this maddening state of frustrated desire. One way or another, things were about to change. Come hell or high water, she was done running. A Wolf Shifter Romance.
