Von Lauren Stewart : Darker Water (Once and Forever Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Darker Water (Once and Forever Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Love, pain, steaminess, humour, sarcasm and wit perfectly combined.Von LittleDarlingI'm not sure how to write a review for

"Darker Water" by Lauren Stewart without giving too much away. But I can start by saying that this book is superb. Honestly, it is one of my top reads of 2014 and it will be hard for others to top it. Technically it should be a generic NA romance. A disappointed by love heroine, a cocky and alpha yet broken hero, evil people and the past trying to get in the way of what could be a happy relationship. So far, so good. We've all read those stories. But wait, this one is different. It is unique - in its narrative style, in its characters and in its plot. It is special and beautiful. And surprisingly original. But then I would have never expected anything less from Lauren Stewart. There is a lot of humor in this story - not over-the-top, not exaggerated. It is just the right amount to make you laugh and giggle, thanks to a healthy dose of wit, banter and the most beautiful sarcasm. For the first part of the book, I was all smiles and giggles, until suddenly - bam - tears started flowing and the sob-fest commenced. But even through the tears, Lauren Stewart managed to coax smiles out of me, making my husband wonder who that blubbering, sobbing, grinning fool on the sofa was. The story took me on a roller-coaster ride with ups and downs, twists and turns captivating me line for line. Characters I at first hated were suddenly redeemed, socially critical topics brought to the forefront of my mind and all of this within a romance. But that wasn't all... I can't write a review without talking about the characters or at least paying some attention to them - without going into too much details as you should meet them yourself. There is Laney. Disillusioned, sweet, artistic, feisty, fair, loyal, loving and funny. Perfect best friend material. Then there is Carson. Perfect, drool-worthy, panty-melting and so broken. Perfect spontaneous combustion material. Carson and Laney together - one of the most awesome couples ever written. You should read it. No, really, I mean it you should. 5+ super, awesome, perfection-in-a-book stars. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Ich würde es jederzeit wieder lesen. Von Customer Das Buch hat Witz ist unterhaltsam und die Romantik bleibt natürlich auch nicht auf der Strecke. Kombiniert mit einem ernsten Thema (Gewalt in der Familie) ist es nicht nur einfach nur eine romantische Geschichte. Ich freue mich darauf, mehr aus der Once an Forever Reihe zu lesen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Dark water... Hot and awesome... Von Micand a lot more ! This is a really great book ! I loved the touch of the fairy tail to this story and it's an awesome idea how the author put it into this story. Well made point with the frogs :) and an absolut lovely story between Carson and Lane(y). A capturing story from the beginning and so many funny and sexy ways Carson and his lines.. wonderful. But this story has also darker parts with a lot of depths and all is making sense in the whole progress of this story. I loved the entire ride with the two of them and it was great how Carson tries to help Lane and in return they will help each other ! Well done... loved it !

Kurzbeschreibung Some fairytales begin with a kiss... After another painful breakup, Laney Temple finally understands love is a fairytale and sex rarely comes with a happy ending. She's too busy for it right now anyway she has a business to run, art to create, and candy to crush. Sure, eventually she'll be ready to switch from her plastic-and-silicon lover to a flesh-and-blood one. But before that happens, she has to be sure she won't feel any of those annoying emotions that make her heart do things it wasn't meant to do... Like break Carson Bennett is completely upfront about what he wants, and it has nothing to do with Laney's heart. Her lips? Hell yeah. Other parts of her body? You better f*cking believe it. But her heart? Nope, not even a little. Until it does a lot. But having feelings for someone isn't allowed. It's the kind of thing you're supposed to push down deep and cover up with one-night stands, sarcasm, and booze... Like secrets Two people want the same thing a commitment to nothing more than great sex in a bunch of different positions. Simple. Enjoyable. A win-win. Problem is, those two people have families and fears and pain that spill into every moment of their lives, control what they do and who they are. And if either Carson or Laney can't free themselves from the past, they'll both be pulled under by it. I finished DARKER WATER last night. I loved it. I can't wait to read the next one! - Katy Regnery, New York Times and USA Today bestselling author "Perfect spontaneous combustion material. I was all smiles and giggles, until suddenly - bam - tears started flowing and the sob-fest commenced." - The Book Enthusiast Book Blog "This officially sits on my Favorites list for Romantic Comedy" - The Book Bee ***DARKER WATER is a standalone contemporary romance inspired by The Frog Prince*** VIRTUALLY IMPOSSIBLE (Once and Forever #2) is now available! Once and Forever, the series... began as a dare from a friend who believed I would never be able to write a standalone novel with a happy ending. To prove her wrong, this seven-book contemporary romance series came to be, each with its very own happy ending. All the books will take the theme or symbol from a different fairytale and then quickly go in another direction. And it ain't towards Disneyland, folks. And it ain't towards Disneyland, folks.ber den Autor und weitere MitwirkendeLauren Stewart lives in Northern California with two of the most amazing children that the world has ever seen. She grew up reading Stephen King, Ray Bradbury, Piers Anthony, and Agatha Christie, and spent far too much time studying Shakespeare in college. But her writing took a turn to the more tortuously romantic side because of the influence of a few women like JR Ward, Karen Marie Moning, Nalini Singh, Charlaine Harris, and Janet Evanovich. Since she reads almost every genre, naturally, her writing reflects that. With every book, every story, you'll find elements of other genres--fantasy, mystery, romance, paranormal, suspense, YA, women's literature, all with a touch of humor because what doesn't kill us should make us laugh.
