GmburgersVon gmburgersAn amazing epic story. Totally unexpected and filled with every conceivable emotion. Top top top. I would recommend this book and in fact the entire series to anybody.

KurzbeschreibungIts too late to save myself, but Ill save her, even if it kills me. When Akil leaves a nine year old half-blood girl on Muses doorstep, its not long before the demons come hunting, but this time Muse isnt the target. The Institute, Muses immortal brother, and the Princes of Hell, all want a piece of the little half-blood. Whats so special about Dawn, and why has Akil conveniently disappeared just as Muse needs answers? To save the half-blood girl, Muse must first save herself, but is it already too late? Muses humanity is failing. Her demon hungers. The darkness coiled around her heart lures her toward madness. And all that stands between Muse and her demons lust for destruction, is the hope that some half-bloods do get happy endings. The veil weakens. Titles will fall. A new Prince rises. And if Muse cant stop them, the demons will have their day. Praise for The Veil Series "This emotional, supernatural novel keeps up a brisk pace without leaving the reader behind... A solid start to the series." Publishers Weekly. "Action-packed, raw urban fantasy thats edgy and eclectic." reviewer. "This is a fantastic book, and one of my new favorites! ...a brilliant and original (urban fantasy) tale, entwined with a fascinating element of romance. I am eager to dive into the next book in the series to see what happens with these fantastic characters." Moonrise Books Blog "I almost cried. It was THAT heart wrenching." Nocturnal Predators s "Steamy and sensual in places whilst heartrending and profoundly poignant deep in others." reviewer. "Beyond the Veil" has everything you want in a good urban fantasy read... Muse is a great main character, that is "real". She is fast becoming one of my fave heroines. And what can I say of the men, but sexy alpha men are my weakness and this one has two!!" Night Owl s Genre: Urban Fantasy / Paranormal Romance Sub-Genre: Demons. Due to adult themes and scenarios this book is recommended for +18's. The Veil Series Reading List Wings of Hope (Prequel novella) Beyond The Veil (#1) Devil May Care (#2) Darkest Before Dawn (#3) Drowning In The Dark (#4) Available for pre-order now.
