Bone Chilling, yet humorous...How does Dennis Lehane do it??Von Ein KundeI've never really had a favorite author until now. Dennis Lehane grabbed my attention with his first few words in Darkness take my Hand and I was hooked! I

figured this book was a one time masterpiece. Absolutely not! All of his books are incredible! But this one, this one is my favorite. It was so creepy and evil, yet even when I was scared to death, Patrick "Don't call me Pat" Kenzie said or thought something that had me laughing. It amazes me how Dennis Lehane does this and makes it all work so beautifully. And, you'll love the main characters, Patrick and Angela, as well as the side characters Bubba, Oscar and Devin. You won't be able to stop reading. Bubba. He's the man. You've gotta love him. I've never had the desire to meet a psychopath, but I would love to meet Bubba. If you like his character, there's lots more of him in Prayers for Rain. Read it! Read them all! I guarantee you won't go away disappointed and you'll wait impatiently for the next book to come out. Mr. Lehane, you've got amazing talent. You're the best and I'm a fan for life.0 von 0 Kunden fanden die folgende Rezension hilfreich. I am troubledVon Ira LandsmanAlthough this book had interesting characters, I was troubled by the section that was almost too reminiscent of Silence of the Lambs. That scene was a huge distraction. It certainly did not represent fresh, innovative writing.1 von 1 Kunden fanden die folgende Rezension hilfreich. Another great book by LehaneVon Ein KundeI was very impressed with Lehane's first book, A Drink Before the War, and was very excited to try his next book, Darkness Take My Hand. His stories just keep getting better and more enthralling. I love the two main characters and the way they interact- they're a great team. And boy is this plot enthralling. The serial killer story is really scary though- I found this book really hard to put down! I recommend it to any mystery and suspense lovers!
