MUST READ-CAPTIVATING BLAZING HOT ROMANCEVon midniteinkThe stories feature Kathryn an audacious, sexy, curvaceous blogger who can't keep herself clear of horrific danger; Shade and Lightning, two strapping, sultry, potent superhuman heroes who claim Kathryn as their own, and have sworn to protect her.What you'll find in this story; a

cast of remarkably impressive and engaging characters, spectacular story-lines, picturesque and powerful vivid scene descriptions, camaraderie, magic, pent-up rage, jealousy, gut-wrenching moments, spine-chilling suspense, action packed, mystery, murders, superb banter, life threatening incidents, unexpected surprises, identities revealed, betrayal, jaw-dropping toe-curling sensual romance, and a heart melting conclusion that leaves you wanting more.

INTO THE DARKNESS-St. Anthony is a corrupt city, and Kathryn Smith fell right smack into the mess when she blogged an impressive article after meeting Lightning. The article went viral, and has attracted all types of deadly dangers into her once sane life. **WARNED** by The Shade and Lightning to keep herself out of any business that concerns St. Anthony, Kathryn decides to investigate further on her own with hopes of avoiding the threatening dangers.

HIDDEN IN DARKNESS-Shade and Lightning find themselves in a profoundly precarious situation. They have tried their best to persuade Kathryn to stop snooping without success. She might as well wear a neon sign stating come get me. Can the two heroes put aside their loathsome feelings towards each other and protect her, or will they walk away allowing Kathryn to disappear without a trace of life?

SHADES OF DARKNESS-Kathryn has been kidnapped by a lunatic superhuman and has taken her before the Council to see if Lightning and Shade claim her together. If they do not show Kathryn may lose her life. Both superheroes are incensed that someone had the nerve to take her. No matter how hard they try they cannot keep Kathryn out of harms way. Someone seeks ultimate power, and one thought to be a friend is now an unknown enemy!!!

FIRES IN THE DARKNESS-No matter how hard Shade and Lightning try to convince Kathryn not to go off by herself she never listens; both feeling they should have put her on lock down. Kathryn is abducted again, and this time it is by someone she trusted with her life. The betrayal is worse than the sting of a scorpion leaving her filled with hate. Bright has plans to take over St. Anthony, and wants to use Kathryn as bait to lure the love struck superheroes into a trap. Shade and Lightning will stop at nothing to save her.

WOW/SPECTACULAR fast paced well written creative reads by a truly gifted author. The characters spring to life with the intriguing plots, fantastic dialogue, thrilling action, and blazing hot romance. Kathryn's lion-hearted persona make her a most valiant hero. The Shade and Lightning are worthy heroes and totally devoted to Kathryn. As a teen I always loved superheroes and still do. I so enjoyed this adult romance series as it was exciting from the first book to the last. If you treasure fantasy romance this is an excellent choice for your library. In the world of fantasy romance the possibilities are endless and always fascinating. {I was gifted the books and this is my completely honest review}. Without reservations I highly recommend this set.

Kurzbeschreibung If there was an award for Worst Ever Choice of Lover, curvy blogger Kathryn Smith would have won it. Twice. When Kathryn inadvertently stumbles into a tangled web of politics, corruption and lies, there are only two men powerful enough to get her out of it alive. Only problem is that both of them demand more than a polite thank you in return. They want her, every ounce and every curve. And they're not backing down until she surrenders. As if it wasn't bad enough that they hate each other's guts and Kathryn is quite literally stuck between the two of them, they're also both overbearing, domineering and completely impossible to read. Not to mention one's an insufferable jerk, while the other's a straight-up psychopathic killer. Add to that a shared enemy who will happily kidnap and torture Kathryn to get to her new lovers, a city on the brink of destruction and friction burns in delicate places. Yep. Worst. Choice. Ever.

Book 1 - 4 of the paranormal suspense romance series **Darkness**. Features two uncompromising bad boys and their very steamy romancing of one lucky, voluptuous lady.
