Von Bertrice Small : Darling Jasmine (Skye's legacy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Darling Jasmine (Skye's legacy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Probably her second worst book I've readVon Ein KundeI have long been an avid Beatrice Small fan, reading all of her novels as they come out. As time goes on, her books have been getting worse and worse. I keep buying them, hoping they will be like their predecessors and being sadly disappointed. Her first books had so much detail about EVERYTHING, not only sex. I can still see, feel and taste her descriptions of the Tudor court and the Middle East. Where her older

books can be considered erotic, I found some of the descriptions in this one just distasteful. Firey passion is one thing, foul language constantly, is another. I also could not get over the fact that on almost every page our heroine is called "DARLING JASMIN". There are some pages she's called that 2 or 3 times. We get the idea that she's a "darling", we don't need to be beaten over the head with it (even if she is a bit spoiled - especially in the beginning - and not really anyone's "darling"!!!). Thus saying, I did appreciate two different things in this book. First, I like that Ms. Small continues to recap who the people are. She has written so many books about this family (and the Glenkirk family), that it is hard to keep everyone straight. Second, I liked the ending to this series and how she handled Skye. Not to ruin the ending for anyone, just be prepared for a smile and a tissue.....

The queen of erotic romance is back Von Ein Kunde After forty-two years of happy matrimony, seventy-five year old Skye O'Malley becomes a widow. Though she deeply grieves the death of her cherished Adam, Skye sends all her visiting relatives home, allegedly to mourn in solitude. Instead, Skye plans to leave her home to visit her granddaughter, Jasmine, and her grandchildren in France. Her objective is to convince Jasmine that it is time to return to England in order to talk with her court-ordered fiance, Jemmie Leslie, the Earl of One of Skye's children, Robin, realizing that his mother is very sly and devious, figures out that she is going to France. He tells Jemmie, who follows her to the home that Jasmine is hiding on the continent. As the legal guardian to all her children (one by him; the rest by previous marriages) Jemmie forces Jasmine to return as his wife. The spark between them that existed just before she fled is now an inferno. However, though they passionately love each other, their relationship remains shaky. He does not trust her to stay with him and she resents being forced to marry, even if she does love him. Bertice Small has received warranted acclaim for her Skye O'Malley seventeenth century romances from a wide cross section of romance readers. Skye has been an endearing character to the fans of the historical romance, however, the latest Skye novel, DARLING JASMINE, adds a freshness to the series as it stars a new lead protagonist. Though Jasmine is not quite as energetic and dazzling as Skye, she leads the series to a different, but still lofty plateau of excitement and passion. This novel is a great addition to a fabulous series. Harriet Klausner

Bertrice has a vivid imagination and puts forth the knowledge of her imagination to the readers! Its hard to start her book and be able to do anything else until the very last page... The more she does the more you want. The characters are alive and capture the imagination of all who read about them. Again, the author is excellent in her vivid imagination and its a search for the next book from her. Can't wait until her next one. The Skye O'Malley saga was and still is her best literary accomplishments. Too bad the character, Skye, had to age. Anyone who has not had the opportunity to actually read this saga, is missing a world of pleasure, and hardships faced by one hellish woman as she travels through life. What a joy to read all the books by Bertrice Small. Talent is what this lady has, and this reader is glad she does!! Thank you Bertrice for all your accomplishments!!

Kurzbeschreibung She was headstrong, fearless, and beautiful. She was just like her grandmother, the legendary Skye O'Malley. Darling Jasmine Jasmine had been forced into marriage twice. Rebelling at King James' decree that she wed Jemmie Leslie, fifth earl of Glenkirk, she fled to France with her children. But her youngest, the illegitimate offspring of Jasmine's lover, Prince Henry Stuart, is also the king's only grandson. Now the man coming after her and her little boy is the man she both fears and desires. . . Jemmie Leslie has come to France to possess Jasmine--by force if necessary. Though they shared a night of unforgettable passion, her rejection of their betrothal stunned and maddened him. Yet once he sees her again, Jemmie vows to win the elusive Jasmine back. . .and take her beyond ecstasy. "Rare poignancy, heart-stopping adventure, and sizzling sensuality." --Romantic Times The author of over thirty-five novels of historical romance and four erotic novellas, Bertrice Small is a New York Times bestselling author who has also appeared on the Publishers Weekly, USA Today, and the Los Angeles Times bestseller lists. She is the recipient of numerous awards, including Best Historical Romance, Outstanding Historical Romance Series, Career Achievement for Historical Fantasy, and several ers' Choice awards from Romantic Times BOOKclub. She has a "Silver Pen" from Affaire de Coeur, and an Honorable Mention from the West Coast of Books. In 2004 Bertrice was awarded a Lifetime Achievement Award by Romantic Times BOOKclub for her contributions to the historical romance genre. Bertrice is a member of The Authors Guild, Romance Writers of America, PAN, and PASIC. She is also a member of RWA's Long Island chapter, L.I.R.W., and is its easternmost member..

deFans of Bertrice Small's long-lived heroine Skye O'Malley will enjoy being reunited with her extensive family in this 17th-century tale about her granddaughter, Jasmine de Marisco, and the man King James has decreed she marry: Jemmie Leslie, earl of Glenkirk. Two years ago, demanding the freedom to choose her next husband herself, Jasmine jilted Jemmie and escaped to France. Now Jemmie, following Skye as she seeks out her granddaughter to share some sad news, is cleverly reunited with Jasmine, whom he's determined to make his bride. Even as the two put aside their anger to rediscover their lusty passion and agree to wed, vile Piers St. Denis, the king's confidant, decides he wants Jasmine for himself. When she rejects his suit, he vows vengeance. It takes all of Jasmine's courage and Skye's still formidable talents to vanquish this threat to

happiness. Court intrigue and domestic bliss, explicit sex (be prepared for some four-letter words) and a sadistic villain keep lively this last book featuring Bertrice Small's most famous heroine. --Ellen EdwardsPressestimmen"Rare poignancy, heart-stopping adventure, and sizzling sensuality."
