Von Shantel Tessier : DASH (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised DASH (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wow...Von mein Kindle und ichich habe glcklicherweise gewartet, bis die DASH-Reihe komplett verffentlicht war,

ehe ich die Bücher gelesen habe... die Cliffhanger am Ende jedes Teils hätten mich sonst wahrscheinlich in den Wahnsinn getrieben... ;) Die Reihe nimmt einen mit auf eine Achterbahnfahrt der Gefühle... und endet (leider) auch nicht so wie erwartet... wobei dieses unerwartete Ende wohl auch die Lesenswürdigkeit der Reihe ausmacht!

Kurzbeschreibung I've never been one to follow the rules...or the law, for that matter. But when you find yourself behind bars and being offered the opportunity of a lifetime, you take it. I agreed to race motorcycles for Johnny Knight. A very powerful man who wanted me on his team, even knowing I was a liability. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now? I've always been willing to take a risk, no matter what it would cost me. And I knew she was worth it all. I'm Erik Dashling, you can call me Dash. This is my story of how I willing risked one dream for another. But everyone knows that not all dreams come true.
