Von Siera Maley : Dating Sarah Cooper (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dating Sarah Cooper (English Edition):

Kurzbeschreibung Katie Hammontree and Sarah Cooper have been best friends since the 2nd grade. Katie's welcoming, tight-knit family is a convenient substitute for Sarah when her distant parents aren't around, and Sarah's abrasive, goal-oriented personality gels well with Katie's more laid-back approach to life. But when a misunderstanding leads to the two of them being mistaken for a couple and Sarah uses the situation to her advantage, Katie finds herself on a roller coaster ride of ambiguous sexuality and confusing feelings. How far will Sarah go to keep up the charade, and why does kissing her make Katie feel more alive than kissing her ex-boyfriend Austin ever did? And how will their new circle of gay friends react when the truth comes out?

ber den Autor und weitere Mitwirkende Siera Maley was born and raised in the southern Bible Belt, where there wasn't much room for open-mindedness or diversity. After coming out as a lesbian as a teen, she relocated to a more suburban area and is now working on a four-year degree while living with her girlfriend and very adorable dog.
