Von Michelle Diener : Daughter of the Sky (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daughter of the Sky (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. spannend und ein ganz neuer SchauplatzVon Familienmanagerinmachen hier wirklich eine gute Kulisse.Ein bischen von *Der mit dem Wolf tanzt* ein bischen Historical, ein bischen Liebe und ein bischen Kulturschock - durchaus lesenswert !Hatte das Buch in einer kostenlosen Aktion bekommen, wrde aber durchaus die 3 Euro dafr hinblttern !0

von 0 Kunden fanden die folgende Rezension hilfreich. Be my spy- war is not black or white Von KundeAs with anything from Michelle Diener this book was gripping, dark and funny, deep and thoughtful, and pushing boundaries about cultural standards we know. Diener has the ability to create characters that inspire you even long after the book. Loved it.

KurzbeschreibungThe Victorian Empire has declared war on the Zulus if they don't accede to their outrageous demands. The clock is ticking down to the appointed hour. With no idea why the British are marching three massive columns of men and guns towards them, one Zulu general is prepared to take an impossible risk. But the life he's gambling with isn't his own . . .The sole survivor of a shipwreck off the Zululand coast, 15 year-old Elizabeth Jones is taken in by the Zulus, the people of the sky. Six years later, her white skin becomes useful to the Zulu army as they try to work out why the Victorian Empire has pointed their war-machine at the Zulu nation. Elizabeth is suddenly Zululand's most important spy. While infiltrating the British camp, Elizabeth's disguise as a young soldier is uncovered almost immediately by Captain Jack Burdell. However, he believes the tale she spins of searching for a missing brother and shields her from discovery, allowing her to bunk in his tent and giving her a job as his batman. Burdell is war-weary and disillusioned - no longer willing to follow regulations at all costs. But as Elizabeth and Jack explore their growing attraction to each other, the two armies move towards their inevitable clash. Elizabeth is torn between the guilt of betrayal and her fierce loyalty to her Zulu family, and when Zulu and British meet on the battlefield, both she and Jack find their hearts and their lives caught in the crossfire.
