Von V.C. Andrews : Dawn (Cutler) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dawn (Cutler):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I really

liked the book "Dawn" . Von Ein Kunde That was the first novel I read of the V.C. Andrews collection. I remember I had told my friend once how do you read so many books and such long ones in such a short period of time cause I have a problem with reading long books cause they can get boring, but when she told me about the book she had been reading called "Dawn" that she was so into the book that she couldn't put it down it was good. So I decided to check it out for myself so I did and I couldn't put it down neither it was so sad at the begining that it made me cry cause they were very poor and always moving and losing friends, and then it made me feel happy for Dawn and Jimmy that they had maybe found a better life maybe and that Dawn had fallen in love with Phillip and him with her, but then it became sad again when she found out the truth about everything her family, her boyfriend her whole life was just turned all around as if she was never meant to be happy in her life I felt so bad for her even though it was just a book it made me feel something inside it made me feel thankful that I have a good life even though I have problems I am thankful for what I've got. Then I read the rest of the "Dawn" series they were really good books also I really enjoyed reading about Dawn and I think it would make a great movie cause it is very emotional sad, but yet exciting I thought the book was great. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dawn was a very big dissapointment Von Ein Kunde I am not trying to offend anyone here, but by far Dawn is only appealing to people that have never really read a good book in their lives. On whole it was extremely stupid. People just do not fall in love with their 'supposed' sibblings. As well as the fact that Dawn herself was extremely weak, petti and annoying. I.E. "I filled out my sweater better!!!" "Was it a crime to like my blonde hair and blue eyes?" Their was a point in the novel were Dawn not only thought herself half bad looking or immaculate beyond human belief, she unfortunatley also believed that no one was a smidge on her. Comments such as: "She had dull brown eyes" Managed to achieve nothing but offend. As far as I and another of my friends are concerned Dawn was a weak, vain, dull looking little priss who's life was meaningless.. And on whole the characters were unrealistic, hollow and simply, I am afraid to say the whole book was an utter shock after reading stories that ent! ertained readers beyond belief. This includes the Dollanganger and Casteel previous to this book. Now that was what you call writing... Dawn, a no hopers tale. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The book may be dark, but my love for it is very bright. Von Ein Kunde Once I read "Dawn" I thought this is the most amazing writer I have ever read from and when I realized the writer wrote the movie "Flowers in the Attic" that I loved for as long as I could remember I fell in love with anything else she wrote. Like Andrews' other books they usually dark sides them, but I think that's what drew me to them even more along with the mysteries, suspense, hoping that the main character survives whom ever is trying to destroy her, etc. Continuing on about "Dawn", I read the entire series and a year and a half later I am craving to read it again so after "Orphans" comes out I am going to finish that series and read "Dawn" again. I would also like to add for V.C Andrews if she reads this is that I am hoping for her series to be made into audio tapes and/or miniseries eventhough movies rarely do the book justice, it would still be neat to watch my most loved books on screen.

Kurzbeschreibung In her fine new Virginia school, Dawn Longchamp feels happy and safe. But nothing is what it seems... Now Dawn and her older brother Jimmy have a chance for a decent, respectable life, and Dawn's secret, precious hope to study singing can come true. Philip Cutler, the handsomest boy in school, sets Dawn's heart on fire. She is deeply devoted to her brooding brother; but with Philip, she imagines a lovely dream of romance... Then Dawn's mother suddenly dies, and her entire world begins to crumble. After a terrible new shock, she is thrust into a different family and an evil web of unspoken sins. Her sweet innocence lost, humiliated and scorned, Dawn is desperate to find Jimmy again and... strip away the wicked lies that will change all their lives forever!
