Von Bianca @BJsBBLACEY SILKS - DAZZLED BY SILVER prequel to the Layers Trilogy 4,55 of 5 stars 4 of 5 erotic points A hot bartender/P.I. - a cute girl looking for a one-night-stand and her sexy

friend Kendra! Let the sexiness begin Samantha walks into her friend Kendra's bar hoping to finally forget about her idiot ex by having a no-strings one-night-stand with a hot guy. And surfer-dude-look-a-like bartender Gabe might just be what she wants. Gabe is working 'under-cover' at the bar as a bartender and investor, as a favor for his cousin and business partner - aka Kendra's ex - who asked Gabe to watch out for her. Sparks are flying between Gabe and Sam - but Kendra wants Sam too - she's flirting and seducing all through the book. I don't want to spoil too much... let's just say there's a lot of sex - girl girl - boy girl - boy girl girl - there are lots of Orgasms in the book (ahem - the Cocktail kind of course!!) - Gabe has a very sad dramatic past - bad guys are chasing Gabe, Sam and Kendra all the way to New Zealand - there might be a kidnapping - Kendra is a very complicated character (and we'll meet her again in the Layers Trilogy) I really liked the book - only the girl on girl porn is not my thing. The cover is really pretty - but it doesn't really fit - it would be better to have either a bar with Gabe behind it and Sam sitting on a stool - or an action scene - with a guy and a girl running from something. Of course - what's on the cover - the gift and the sparkle stuff - it's part of the story - but it's a bit misleading in my opinion. The whole book felt a bit short - I would've liked a 100 more pages that would've given Sam Gabe more time together. What I didn't like was the phrase Promises, promises! You can say it once or twice in a book - maybe a third time as a joke - but it was a bit much. But - I'm looking forward to the Layers Trilogy now 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it Von Kat E L Loved it. It's a great story and you just fall in love with both of them and can't believe all they have to go thru. And will they even make it. I can recommend it as an awesome story.

It is however, an MF erotic romance.
