Von Stephen Booth : Dead and Buried: A Cooper Fry Mystery (Cooper Fry Mysteries) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dead and Buried: A Cooper Fry Mystery (Cooper Fry Mysteries):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Für mich der packendste Roman der Reihe Von N.R. Spannend, wie alle Teile davor, aber es diesmal relativ viel um den Ermittler Cooper geht, ist er besonders hart. Auch als nicht -so- oft -englische -Bücher-Leser war der Roman für mich

gut zu lesen und verstehen.

KurzbeschreibungAs wildfires ravage the Peak District's idyllic national park, hundreds of firefighters and park rangers fight to keep the blaze from reaching a historic inn, a landmark that has been boarded up for years. For weeks now, acts of arson have destroyed miles of land, and once the flames die down, a grim surprise awaits detectives Ben Cooper and Diane Frya body, dead for years. Taut and twisting, *Dead and Buried* is perfect for fans of Ian Rankin and Peter Robinson. **Pressestimmen**"Stephen Booth makes high summer in Derbyshire as dark and terrifying as midwinter." Val McDermid, author, *"The Retribution,"* on *"Black Dog"* **Werbetext**DS Ben Cooper comes closer to death than he ever has before in the new Cooper/Fry case
