Von Sean Kerr : Dead Camp 1 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Camp 1 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Genie und Wahnsinn liegen dicht beieinander!Von Petra AndreaGenie und Wahnsinn liegen dicht beieinander! Um ein Buch wie Dead Camp zu schreiben muss man einfach ein Genie, mit einer mchtigen Vorstellungsgabe sein. Obwohl Fantasy Bcher nicht zu meinem bevorzugten Genre gehren, war diese Geschichte eine der wenigen welche mich von Anfang

an gefangen nahm. Es gbe keine Bcher ohne die Fantasie des Schriftstellers, und meiner Meinung nach hatte Dead camp 1 die perfekte Balance zwischen Fantasie, Action, Humor und beraktiver Stamina. Einige Abschnitte des Buches waren fr mich wie; Holy Cow, der Autor bewegt sich auf sehr dnnem Eis, wobei meine Lieblingsabschnitte die Wahnsinnigsten waren. Obwohl das Buch eher Richtung der dunklen Seite geschrieben ist, mochte ich seinen Humor und die manchmal urkomischen Momente. Bezglich der beraktiven Stamina kann ich nur sagen; Sean Kerrs Ehemann muss ein sehr glcklicher Mann sein. Was mich betrifft; ich werde dieser Serie sicher bis ganz zum Schluss folgen!0 von 0 Kunden fanden die folgende Rezension hilfreich. A romping good readVon Derek KingSean Kerr paints a story with his pen like the old masters did with their brush, every brush stroke sublimely highlighting nuances in the sub plot, there are areas of light and shade as good fights against evil, and colour superbly used as he paints a detailed picture with words creating a beautifully detailed universe. It is most refreshing to come across an author who can truly write, unlike many current authors populating this genre. Buy this book, absorb the imagery, engage in the adventures of Eli an: board the roller coaster ride that is Dead Camp, you won't be disappointed.

KurzbeschreibungEli is an ancient vampire with an ego the size of a planet and a sex drive to match, but his tumultuous past left him broken, so he hides from humanity and cowers from love, left to endure the crushing guilt that haunts his every waking moment. Even his best friend, Malachi, a ghost who is hopelessly in love with Eli, remains unaware of all that transpired in London. Malachi can never know the truth. When the Angel Daniyyel pays an unwelcome visit, Eli must face his secrets, secrets that he has tried so long to hide. To make matters worse, a chance encounter with the most beautiful man he has ever seen shatters his beloved isolation, pushing him into the world of the living once more. Something about this strange man seems so familiar, but Eli cant even remember who he was before he became a vampire, never mind explain the unwanted emotions the enigmatic stranger ignites in his dead heart. So Eli has a choice return to the world that ruined him, or continue his self-imposed exile with no hope of salvation.
