Von Louise Penny : Dead Cold: A Chief Inspector Gamache Mystery, Book 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Cold: A Chief Inspector Gamache Mystery, Book 2:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kanadischer WinterVon CaliforniagirIes freut mich immer wieder, die "Charakters" dieser Serie zu besuchen. In

diesem Buch fñhlt man sich gut in den kanadischen Winter versetzt. Das Buch war spannend. Es ist schñ wenn man sich nicht jedesmal an eine vllig neue "Besatzung" gewñnen muss. Ich habe das Buch auf Englisch gelesen und wei nicht, wie der deutsche Titel lautet. Auf Englisch ist das Buch jedoch ein "winner"!10 von 11 Kunden fanden die folgende Rezension hilfreich. Zweiter Gamache ThrillerVon FaustWie schon in ihrem ersten Roman "Still Life" beweist Louise Penny in "Dead Cold" ihr Talent fr eine unglaublich einfñhlsame Charakterdarstellung. Dabei sind vorallem die Motive und Beweggrñnde, auch die des Mrders, nicht wie so oft bei Serien-killer-thrillern an den Haaren herbeigeholt sondern entspringen den tglichen Problemen und Nten. Dabei ist es eine Freude die lieb gewonnen Dorfbewohner von "Three Pines" wiederzutreffen und vorallem Inspektor Gamache ein zweites Mal zu folgen wie er durch Zuhren langsam auf die Spur des Mrders kommt. Spannend und gut geschrieben, sehr empfehlenswert!1 von 1 Kunden fanden die folgende Rezension hilfreich. Louise Penny, Dead ColdVon RotrautEin interessanter Krimi, eingebettet in eine tolle Beschreibung von der altehrwrdigen "franzsischen" Stadt Quebec in Kanada. Geschichtsfans kommen auf ihre Kosten. Sehr einfñhlsame Darstellung der verschiedenen Charaktere, natrlich mit Chief-Inspector Armand Gamache.

KurzbeschreibungThe New York Times BestsellerWinter in Three Pines, and the sleepy village is carpeted in snow. It's a time of peace and goodwill - until a scream pierces the biting air. A spectator at the annual Boxing Day curling match has been fatally electrocuted. Despite the large crowd, there are no witnesses and - apparently - no clues. Chief Inspector Armand Gamache discovers a history of secrets and enemies in the dead woman's past. But he has enemies of his own, and as he is frozen out of decision-making in the Surete du Quebec, he has to decide who he can trust...From Publishers WeeklyPenny's newest mystery returns to Three Pines, the bucolic but hardly idyllic hamlet south of Montreal where Inspector Gamache has his hands full contending with a pair of murders including that of a spiritual and domestic diva. Veteran reader Cosham isn't the best choice for this project, although his rich baritone voice can mesmerize listeners. The entire town plus the local office of the Sret de Qubec is swept up in these murders, but unfortunately, the citizens all sound alike, as do Em, Kay and Mother, who are referred to as the Three Graces. Cosham's French is perfect, if a bit formal, but he uses the language spoken in Europe, not the Qubcois dialect and pronunciation that would be used by the locals. His British accent is also a bit tony for this corner of Canada and its artistic but down-to-earth inhabitants. Despite the apparent miscasting, Cosham'space makes the witty narrative frothy and irresistible, like a good caf au lait. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From BooklistQuebec Surete Inspector Armand Gamache, who made his debut in Still Life (2006), returns in this enjoyable follow-up. An almost universally disliked, even hated, woman is murdered. Naturally, the pool of potential murderers is deep, ranging from the victim's lover to her friends (well, acquaintances) to various others in the small Canadian community of Three Pines. Gamache, a smart and likable investigator--think Columbo with an accent, or perhaps a modern-day Poirot--systematically wades his way through the pool, coming upon a few surprises along the way. Penny is a careful writer, taking time to establish character and scene, playing around with a large cast, distracting us so we won't see the final twists coming until they're upon us. This is a fine mystery in the classic Agatha Christie style, and it is sure to leave mainstream fans wanting more. David PittCopyright American Library Association. All rights reserved
