Von Detra Fitch Maxwell "Max" Darling's business is called "Confidential Commissions". It is much like a private investigator business. He gets a new client who is searching for her brother. Knowing his wife, Annie, would worry unless he let her know he'd be late, Max calls. Annie Darling gets worried when Max never gets home that night. A search party begins. The police locate a dead woman that same night. The murder weapon is found in the trunk of Max's nearby Jag. The lady had been seen by many witnesses at a bar the night before. Max and the lady looked to be having an affair. But no one knows where Max is. The police finally locate Max stumbling down a road. All the evidence, and there is quite a bit, points to Max being the killer. But Annie refuses to believe it. Annie finally takes matters into her own hands and goes undercover to catch a killer.***** It is no wonder this author has won several Agathas and Anthonys. Carolyn Hart's writing talent is still taking the Mystery world by storm and looks as though it may continue to do so for a long time. This novel is but one example of her awesome creativity skills. One thing is certain: I look forward to many more books in this mystery series. *****Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Annie Darling, owner of the Death on Demand mystery bookstore, is understandably upset. It isn't like her p.i. husband Max to abruptly disappear and homicide is definitely not his style. But when his car is found abandoned on a remote road with a brutally slain, once-beautiful young woman nearby and the murder weapon stashed in the trunk, Annie's worst fears seem justified. The police have Max all but tried and convicted except for Chief Billy Cameron, whose unshakable belief in his friend's innocence prompts his removal from the case. And as a media circus descends on tiny Broward's Rock, Annie will have to place her own life in jeopardy to clear her husband's name. But time is running out and she has only one slim chance to unmask a killer who just may have committed the perfect crime.
