**Von Mark Greaney : Dead Eye (Gray Man)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Eye (Gray Man):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A very good oneVon PiusThe Dead Eye by Mark Greaney is a well written book with great characters and an amazing plot. I

like adrenaline driven stories, and this is one piece that kept me going all the way to the end. The great thing about this story, like Triple Agent Double Cross, is the fact that it keeps spinning the reader with surprises while the story line stays focused, making it a page-turner that is sophisticated but not complicated. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Very good Von Kindle-Kunde Once you start reading, it is hard to lay the book aside. Permanent thrill guaranteed, although the action is sometimes a bit too exaggerated and too close at Hollywood fiction. nevertheless, 5 well deserved stars... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great! Von Mike This is a page turner that kept me awake at night. The story is well established and packing. It will certainly not be the last Gray Man novel that I read.

Produktbeschreibung Ex-CIA master assassin Court Gentry has always prided himself on his ability to disappear at will, to fly below the radar and exist in the shadows - to survive as the near-mythical Gray Man. But when he takes revenge upon a former employer who betrayed him, he exposes himself to something he's never had to face before. A killer who is just like him. Code-named Dead Eye, Russell Whitlock is a graduate of the same ultra-secret Autonomous Asset Program that trained and once controlled Gentry. But now, Whitlock is a free agent who has been directed to terminate his fellow student of death. He knows how his target thinks, how he moves, and how he kills. And he knows the best way to do the job is to make Gentry run for his life - right up until the moment Dead Eye finally ends it...
